

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE ELECTRONIC APPLICATION OF)	
JACKSON PURCHASE ENERGY CORPORATION)	CASE NO.
FOR A GENERAL ADJUSTMENT OF RATES)	2024-00085

MOTION FOR CONFIDENTIAL TREATMENT

Comes now Jackson Purchase Energy Corporation (“Jackson Purchase”), by counsel, pursuant to KRS 61.878, 807 KAR 5:001 Section 13, and other applicable law, and respectfully moves the Commission to afford confidential treatment to certain information and documents filed by Jackson Purchase in response to the requests for information propounded by Commission Staff in the above-styled matter. In support of this request, Jackson Purchase states as follows:

1. On April 1, 2024, Jackson Purchase filed its Notice of Intent to file a general adjustment of rates and filed its Application on May 1, 2024. Prior to filing the Application, Commission Staff issued its First Request for Information (“Staff’s First Requests”) to Jackson Purchase on April 12, 2024. Jackson Purchase is filing responses to those requests for information contemporaneously herewith.

2. Jackson Purchase requests the Commission to afford confidential protection to certain information being filed by Jackson Purchase in response to Staff’s First Requests. The information provided is proprietary, personal, confidential, sensitive, and commercially valuable information. This information is collectively referred to as the “Confidential Information.” The response to Staff’s First Request, Items 19 and 20 contain a wage and salary study, conducted by

a third-party consultant which contains personal identifying information of Jackson Purchase employees. If disclosed, this response would reveal to the public the compensation paid to employees.

3. KRS 61.878(1)(a) permits confidential protection for records containing personal information that if disclosed would constitute an unwarranted invasion of personal privacy. KRS 61.878(1)(c)(1) allows conditional protection of records that are generally recognized as confidential or proprietary, and if disclosed would permit an unfair commercial advantage to competitors of the disclosing party.

4. The responses to Staff's First Request, Items 19 and 20 contain private, cooperative-wide compensation information for all individuals employed by Jackson Purchase. The public disclosure of such sensitive, personal information would constitute a clearly unwarranted invasion of personal privacy. Moreover, release of this information could competitively harm Jackson Purchase because it must compete with other employers for the hiring and retention of employees, which is a skilled workforce. Releasing the information to the public would unfairly harm Jackson Purchase and its competitive position in the marketplace, not to mention the personal harm to the individual employees whose private, personal information would be disclosed.

5. The employee-specific wage and salary information provided in response to Items 19 and 20 of Staff's First Request clearly contain private information and is commercially valuable. The Confidential Information is proprietary information that is retained by Jackson Purchase on a "need-to-know" basis and is only distributed by Jackson Purchase only to those holding select positions who must have access for business reasons, and it is generally recognized as confidential and proprietary in the utility industry and elsewhere.

6. The Kentucky Open Records Act and applicable precedent exempts the Confidential Information from disclosure, including KRS 61.878(1)(a); KRS 61.878(1)(c)(1); *Zink v. Department of Workers Claims, Labor Cabinet*, 902 S.W.2d 825 (Ky. App. 1994); *Hoy v. Kentucky Industrial Revitalization Authority*, 907 S.W.2d 766, 768 (Ky. 1995). As stated above, the public disclosure of the Confidential Information would potentially harm Jackson Purchase's competitive position in the marketplace which would be to the detriment of both Jackson Purchase and its end-use members. Additionally, the Confidential Information is publicly unavailable and its confidentiality is critical to Jackson Purchase's effective execution of business decisions and strategy. For these reasons, the Confidential Information satisfies both the statutory and common law standards for affording confidential treatment.

7. Jackson Purchase does not object to limited disclosure of the Confidential Information described herein, pursuant to a confidentiality agreement, to intervenors with a legitimate interest in reviewing the same for the sole purpose of participating in this case.

8. Because the Confidential Information is so pervasive and it is not practical for Jackson Purchase to redact the response because virtually every portion of the documents contains personal, proprietary, and confidential information. Jackson Purchase is requesting confidential protection for the entirety of the documents pursuant to 807 KAR 5:001, Section 13(2)(a)3.b. For that reason, a redacted version of the Confidential Information is not being filed. In accordance with the provisions of 807 KAR 5:001, Section 13(2), Jackson Purchase is filing one copy of the Confidential Information separately under seal, without highlights since confidential protection for the entire document is being sought. The filing of the Confidential Information is noted in the public version of Jackson Purchase's response to Request 19 and Request 20.

9. Also, in accordance with the provisions of 807 KAR 5:001 Section 13(2), Jackson Purchase respectfully requests that the Confidential Information be withheld from public disclosure for a period of ten (10) years. However, Jackson Purchase reserves the right to extend this timeframe if necessary.

10. If, and to the extent, the Confidential Information becomes publicly available or otherwise no longer warrants confidential treatment, Jackson Purchase will notify the Commission and seek to have confidential protection removed, pursuant to 807 KAR 5:001 Section 13(10).

WHEREFORE, on the basis of the foregoing, Jackson Purchase respectfully requests that the Commission classify and protect as confidential the specific Confidential Information described herein for a period of ten (10) years.

Dated this 14th day of May, 2024.

Respectfully submitted,

Heather S. Temple
