**MOTION FOR CONFIDENTIAL TREATMENT**

---

Comes now Jackson Purchase Energy Corporation (“Jackson Purchase”), by counsel, pursuant to KRS 61.878, 807 KAR 5:001 Section 13, and other applicable law, and respectfully moves the Commission to afford confidential treatment to certain information and documents filed by Jackson Purchase in response to the requests for information propounded by Commission Staff in the above-styled matter. In support of this request, Jackson Purchase states as follows:

1. On May 28, 2024, Commission Staff issued its Second Request for Information (“Staff’s Second Requests”) and on May 29, 2024, the Attorney General’s Office issued its First Request for Information (AG’s First Requests”). On June 12, 2024, Jackson Purchase filed its response to the AG’s First Request with a Motion for Confidential Treatment for the response to Item 26(d) which contained right of way (ROW) bids for the last five years. The Commission denied confidential treatment for the winning bids, but gave leave to amend the motion to exclude the winning bids.

2. Jackson Purchase requests the Commission to afford confidential protection to certain information being filed by Jackson Purchase in response to the Attorney General’s First Request, Item 26(d) for the ROW bids that were not selected by Jackson Purchase. The

information provided is proprietary, confidential, sensitive, and commercially valuable information. This information is collectively referred to as the “Confidential Information.” The Confidential Information if disclosed would permit Jackson Purchase’s competitors an unfair commercial advantage.

3. KRS 61.878(1)(c)(1) allows conditional protection of records that are generally recognized as confidential or proprietary, and if disclosed would permit an unfair commercial advantage to competitors of the disclosing party.

4. Jackson Purchase operates in a competitive environment especially with regards to obtaining contractors to perform right-of-way management. The Confidential Information is generally recognized as confidential or proprietary and public disclosure of the Confidential Information would permit an unfair commercial advantage to Jackson Purchase’s competitors. See KRS 61.878(1)(c).

5. The information provided in response to Items 26d and 28e of the Attorney General’s First Request clearly contain private information and is commercially valuable. The Confidential Information is proprietary information that is retained by Jackson Purchase on a “need-to-know” basis and is only distributed by Jackson Purchase only to those holding select positions who must have access for business reasons, and it is generally recognized as confidential and proprietary in the utility industry and elsewhere.

6. The Kentucky Open Records Act and applicable precedent exempts the Confidential Information from disclosure, including KRS 61.878(1)(a); KRS 61.878(1)(c)(1); *Zink v. Department of Workers Claims, Labor Cabinet*, 902 S.W.2d 825 (Ky. App. 1994); *Hoy v. Kentucky Industrial Revitalization Authority*, 907 S.W.2d 766, 768 (Ky. 1995). As stated above, the public disclosure of the Confidential Information would potentially harm Jackson Purchase’s

competitive position in the marketplace which would be to the detriment of both Jackson Purchase and its end-use members. Additionally, the Confidential Information is publicly unavailable and its confidentiality is critical to Jackson Purchase's effective execution of business decisions and strategy. For these reasons, the Confidential Information satisfies both the statutory and common law standards for affording confidential treatment.

7. Jackson Purchase does not object to limited disclosure of the Confidential Information described herein, pursuant to a confidentiality agreement, to intervenors with a legitimate interest in reviewing the same for the sole purpose of participating in this case.

8. Because the Confidential Information is so pervasive and it is not practical for Jackson Purchase to redact the response because virtually every portion of the documents contains personal, proprietary, and confidential information. Jackson Purchase is requesting confidential protection for the entirety of the documents pursuant to 807 KAR 5:001, Section 13(2)(a)3.b. For that reason, a redacted version of the Confidential Information is not being filed. In accordance with the provisions of 807 KAR 5:001, Section 13(2), Jackson Purchase is filing one copy of the Confidential Information separately under seal, without highlights since confidential protection for the entire document is being sought. The filing of the Confidential Information is noted in the public version of Jackson Purchase's responses to Item 26d and Item 28e.

9. Also, in accordance with the provisions of 807 KAR 5:001 Section 13(2), Jackson Purchase respectfully requests that the Confidential Information be withheld from public disclosure for a period of ten (10) years. However, Jackson Purchase reserves the right to extend this timeframe if necessary.

10. If, and to the extent, the Confidential Information becomes publicly available or otherwise no longer warrants confidential treatment, Jackson Purchase will notify the Commission and seek to have confidential protection removed, pursuant to 807 KAR 5:001 Section 13(10).

WHEREFORE, on the basis of the foregoing, Jackson Purchase respectfully requests that the Commission classify and protect as confidential the specific Confidential Information described herein for a period of ten (10) years.

Dated this 12<sup>th</sup> day of July, 2024.

Respectfully submitted,

*Heather S. Temple*
