December 10, 2024 Update:

Jackson Purchase is providing the contract that was negotiated with the International Brotherhood of Electrical Workers (“IBEW”) in October 2024 under seal. While this contract has not been fully executed by the IBEW on the national level it has been accepted on the local level and because of that Jackson Purchase began the hourly wage increase on November 3, 2024. This contract also includes additional wage increases in November 2025, November 2026, and November 2027. Year-over-year forecasted increases in Jackson Purchase’s labor expenditures as a result of the wage increases are also being provided under seal because the contract has not been fully executed.
