RE: *Electronic Application of Columbia Gas of Kentucky, Inc. for a General Adjustment of Rates and Other General Relief - Case No. 2024-00092*

Dear Ms. Bridwell:

Enclosed, please find for filing, Columbia Gas of Kentucky, Inc.'s Supplemental Responses to the Attorney General's First Request for Information and verifications for each witness that provided original or supplemental responses. Columbia Gas of Kentucky is providing supplemental responses for certain requests that were originally objected to (Responses 1e, 2f, 20, 54 and 68) and to responses that were missing a page when uploaded into the Commission's filing system (Responses 47 and 49). In addition, in its original responses Columbia Gas of Kentucky provided historical information since the last rate filing of Columbia Gas of Kentucky (Case No. 2021-00183) as a courtesy, but did not provide historical information requested for dates prior to the last rate case filing. Pursuant to KRS 278.192(c), Columbia Gas of Kentucky is only required to provide historic information for the twelve months immediately prior to the filing date. Columbia Gas of Kentucky provided more information than it was required to provide. This approach is also consistent with the information provided by Columbia Gas of Kentucky in its last rate case proceeding.

This is to certify that the electronic filing was made on July 23, 2024, and there are no parties the Commission has excused from electronic filing procedures. Pursuant to the Commission's July 22, 2022 Order in Case No. 2020-00085, no paper copies of filings will be made.

If you have any questions, please let me know.

Sincerely,

  
L. Allyson Honaker
