

COLUMBIA GAS OF KENTUCKY, INC.
RESPONSE TO STAFF'S FIRST REQUEST FOR INFORMATION
DATED APRIL 24, 2024

Provide the following information concerning the costs for the preparation of this case:

a. A detailed schedule of expenses incurred to date for the following categories:

(1) Accounting;

(2) Engineering;

(3) Legal;

(4) Consultants; and

(5) Other Expenses (Identify separately).

b. For each category identified in Item 14a, the schedule should include the date of each transaction, check number or other document reference, the vendor, the hours worked, the rates per hour, amount, a description of the services performed, and the account number in which the expenditure was recorded. Provide copies of contracts or other documentation that support charges incurred in the preparation of this case. Identify any costs incurred for this case that occurred during the base period.

c. An itemized estimate of the total cost to be incurred for this case. Expenses should be broken down into the same categories as identified in Item 14a, with an estimate of the hours to be worked and the rates per hour. Include a detailed explanation of how the estimate was determined, along with all supporting workpapers and calculations.

d. Provide monthly updates of the actual costs incurred in conjunction with this rate case, reported in the manner requested in Items 14a and 14b, and a cumulative total of cost incurred to date for each category. Updates will be due when Columbia Kentucky files its monthly financial statements with the Commission, through the month of the public hearing.

Supplemental Response:

Please refer to KY PSC Case No. 2024-00092, Staff 1-14 Supplemental August – September 15th Update, Attachment A for the itemized estimate of the total cost to be incurred for this case, and an update of the actual costs incurred as of September 15, 2024. Page 1 of the attachment presents the information in the same format as cost-of-service Schedule F-9. The requested detail for actual costs incurred are presented on Page 2.

Please refer to KY PSC Case No. 2024-00092, Staff 1-14 Supplemental August – September 15th Update, Attachment B, for copies of the supporting invoices and receipts. Please also refer to KY PSC Case No. 2024-00092, Staff 1-14 Supplemental, Attachment D

provided in Columbia's June Supplemental Update of this response for a copy of the NiSource "Business Expense Policy, that was provided in the June Supplemental Update." As per Appendix A of the Business Expense Policy (or Page 19 of the PDF) receipts / documentation less than \$25.00 are not required for corporate card charges that are pre-populated in the Employee Expense Reimbursement System ("ERS"). In lieu, the company has provided a detailed listing of the expenses from the ERS as supporting documentation.

Columbia will continue to provide monthly updates for actual costs incurred as they become available.

As previously shared, Columbia anticipates that the majority of costs for this rate case will occur during the base period. Columbia is deferring the costs for the preparation of this case, and requesting a one-year amortization as shown in Schedule F-9 (Page 1 of Attachment A to this response).
