Case No. 2024-00104

NOTICE OF COMPLIANCE – CONDITION NO. 5 – STATUS REPORT

Comes now Lynn Bark Energy Center, LLC (“Lynn Bark”), by counsel, and pursuant to the Order dated November 27, 2024 approving Lynn Bark’s application subject to the Mitigation Measures and Conditions set forth in Appendix A.

Condition No. 5 of the Order requires Lynn Bark to submit a status report every six months until the Project commences construction to update the Siting Board on the progress of the Project.

In compliance with this requirement, Lynn Bark hereby submits the following update as to the status of recent work and progress toward construction:

- Lynn Bark has filed the Notice of Intent in Case No. 2026-00096 relative to its forthcoming application for a Construction Certificate to construct the associated nonregulated transmission line to service the Lynn Bark generation facility. Lynn Bark anticipates filing the application on or shortly after June 5, 2026.
- Kentucky Power/AEP continues to advance design work on the interconnection facilities.

- Environmental studies have commenced on the gen-tie route, and the application will follow as required.
- Currently, Lynn Bark anticipates the commercial operation date (COD) will be the fourth quarter of 2028. If changes to the commencement of construction or other milestones are anticipated, Lynn Bark will timely file a supplemental status report.

Lynn Bark welcomes the opportunity to supplement this report should additional information be requested.

Respectfully submitted,
