To:reed.adkins@pike.kyschools.us <reed.adkins@pike.kyschools.us>

Mr. Adkins,

Thank you for your time this afternoon. See below for meeting details. Please confirm at your earliest convenience, as we need to get our notices in the newspaper next week.

Johns Creek Elementary School

January 10th, 2024

4-6pm

Agenda: Pike County Solar Project will be hosting an educational and informational meeting for the community members of Pike County. The meeting will provide educational posters on how solar works, information regarding the standard construction process, and details regarding the benefits of solar to Pike County. Members from the Pike County Solar Project team will be in attendance to speak and address any questions.

Thank you,
Jeannine
