MOTION TO EXPEDITE ORDER

The Applicant, Western Mason County Water District ("Western District"), by Counsel, files this Motion to Expedite Order and requests that the Kentucky Public Service Commission (the "Commission") issue its Order in this Case No. 2024-00107 on or before **June 14, 2024**. As stated in the Application, Western District is borrowing funds from the Rural Water Financing Agency ("RWFA") under its Flexible Loan Program ("Program"). RWFA is in the process of issuing its Series 2024C bonds to provide funds for the Program and said funds are being loaned to multiple borrowers under the Program in order to spread the costs of issuance among said borrowers. A delay in the requested Order in this Case will jeopardize Western District's participation in the Series 2024C Program and cause Western District to have to wait until the next issue of RWFA bonds (Series 2024D) which has not been scheduled and could also jeopardize the favorable construction

bids which expire on July 10, 2024. Western District appreciates the Commission's consideration of this request.

WHEREFORE, the District respectfully requests that the Commission issue its Order on or before **June 14, 2024**.
