Re: *Electronic Application of East Kentucky Power Cooperative, Inc. for
Certificates of Public Convenience and NEcesity for Construction Projects
in Marion County, Kentucky and other General Relief*
Case No. 2024-00108

Dear Ms. Bridwell:

Please let this letter serve as notice, pursuant to KRS 278.020, 807 KAR 5:001 and 807 KAR 5:120 that East Kentucky Power Cooperative, Inc. (“EKPC”) plans to file on or after May 17, 2024, an Application for two Certificates of Public Convenience and Necessity (“CPCN”) to construct two 161 kV electric transmission lines and infrastructure in Marion County, Kentucky. After the completion of a condition assessment showing reliability issues with the existing system in the area, EKPC has determined that both projects are necessary. This project will allow EKPC to continue to provide safe and reliable service to its Owner-Members and their end-use members as well as to add additional transmission capacity for future load growth in the area.

Pursuant to 807 KAR 5:120 Section 1(2)(a), EKPC’s contact information is:

East Kentucky Power Cooperative, Inc.
4775 Lexington Road
Winchester, KY 40391
(859) 744-4812

EKPC has filed a Notice to Use Electronic Filing Procedures in this case.

Please do not hesitate to contact me with any questions or concerns.

Sincerely,

Heather S. Temple
