Dear Mr. McMahon:

In accordance with the contract between the Henderson Water Utility (HWU) and the Beech Grove Water System, the costs of providing water services based on our fiscal year June 30, 2023 audit have been calculated by HWU and examined by our auditors, Riney Hancock CPAs PSC for our South Water System. Enclosed is a copy of the individual calculation and the accountant's report provided by our auditors. The following table summarizes the current versus the new rate:

BEECH GROVE WATER RATE	
Current Rate	New Rate
Per 1,000 Gallons	Per 1,000 Gallons
\$3.3580	\$3.1800

These revised rates are to go into effect on the billing for April 2024 consumption. We appreciate the opportunity to serve the Beech Grove Water System. If you have questions concerning this letter please contact me.

Sincerely,

Todd Bowley
Chief Financial Officer
