JOINT MOTION TO AMEND PROCEDURAL DATE

Comes now East Kentucky Power Cooperative, Inc., (“EKPC” or the Company”) and Fayette Alliance, Inc. (“Fayette Alliance”), by and through the undersigned counsel and hereby requests the Commission to amend the procedural date EKPC is to respond to Fayette Alliance’s First Request for Information to June 18, 2024.

1. On April 26, 2024, EKPC submitted an Application for two Certificates of Public Convenience and Necessity (“CPCN”) to construct two solar facilities, Site Compatibility Certificates (“Certificates”) and the approval to assume leases associated with the solar facilities. On May 14, 2024, the Commission entered an Order establishing June 12, 2024, as the date EKPC was to file responses to Commission Staff’s and Intervenor’s initial requests for information.

2. On May 22, 2024, Fayette Alliance filed a timely Motion for Intervention and on May 31, 2024, filed its First Request for Information.

3. The Commission entered an Order granting Fayette Alliance's request for intervention in these proceedings on June 6, 2024.

4. Based upon the timing of the Commission's grant of approval for Fayette Alliance's request to intervene, EKPC and Fayette Alliance have agreed that EKPC can file responses to its request for information on June 18, 2024.

5. Neither party is requesting any other amendment of the procedural schedule, only the date for EKPC to respond to Fayette Alliance's First Request for Information.

6. Neither party believes this will cause delays for the processing of this case and will not prejudice any party, including the Commission.

WHEREFORE, on the basis of the foregoing, EKPC and Fayette Alliance respectfully request the Commission permit EKPC to file its response to Fayette Alliance's First Request for Information on June 18, 2024.

This the 7th day of June, 2024.

Respectfully Submitted,
