*Re: In the Matter of: An Electronic Examination of the Application of the
Fuel Adjustment Clause of Big Rivers Electric Corporation from
November 1, 2022 through April 30, 2023 - Case No. 2024-00141*

Dear Ms. Bridwell:

During the hearing on June 4, 2025, Chairwoman Hatton issued an oral order setting a post-hearing procedural schedule in the above referenced matter. The procedural schedule allowed for the Public Service Commission (the "Commission") staff to file post-hearing information requests by June 13, 2025, to which Big Rivers Electric Corporation ("*Big Rivers*") would respond by June 20, 2025. It also set July 7, 2025, as the deadline for Big Rivers to submit a final brief.

The deadline for the Commission staff to file post-hearing requests for information expired and the staff did not file requests. The only milestone remaining on the procedural schedule is the opportunity for Big Rivers to file a final brief. The purpose of this letter is to inform the Commission that Big Rivers does not intend to file a final brief and to respectfully request that this case be submitted for a decision on the existing record.

Big Rivers is electronically filing this letter today. This letter constitutes the Read1st file required by 807 KAR 5:001 Section 8(5). The Commission has excused no parties to this proceeding from its electronic filing procedures.
