Re: Electronic Application Of Duke Energy Kentucky, Inc. For A Certificate Of Public Convenience And Necessity To Convert Its Wet Flue Gas Desulfurization System From A Quicklime Reagent Process To A Limestone Reagent Handling System At Its East Bend Generating Station And For Approval To Amend Its Environmental Compliance Plan For Recovery By Environmental Surcharge Mechanism

Dear Ms. Bridwell:

Sierra Club submits this cover letter for its CORRECTED electronic filing of its **Reply In Support Of Motion To Intervene Out-Of-Time And Sierra Club's Objection To Duke's Motion To Strike Sierra Club's First Set Of Requests For Information** in Case No. 2024-152, Electronic Application Of Duke Energy Kentucky, Inc. For A Certificate Of Public Convenience And Necessity To Convert Its Wet Flue Gas Desulfurization System From A Quicklime Reagent Process To A Limestone Reagent Handling System At Its East Bend Generating Station And For Approval To Amend Its Environmental Compliance Plan For Recovery By Environmental Surcharge Mechanism. This Reply was inadvertently filed in Case No. 2024-197 as a result of confusion on the part of Kentucky counsel for Sierra Club.

This filing is being made out-of-time, pursuant to this Commission's August 9, 2024, procedural schedule. Pursuant to the Commission's July 22, 2021, Order issued in Case No. 2020-00085, Sierra Club will not be filing an original, physical copy of this document with the Commission.
