RE: Case No. 2024-00155  
Cannonsburg Water District  
Response to the Commission Staff's  
Report dated October 17, 2024

Dear Ms. Bridwell:

Cannonsburg Water District (Cannonsburg District) submits the following comments concerning the Commission Staff Report dated October 17, 2024:

1. Although Cannonsburg District does not agree with the Commission Staff's removal of certain labor expenses from nonrecurring charges, Cannonsburg District does not wish to contest that adjustment in this case. Cannonsburg District's failure to object to Commission Staff's findings and recommendations concerning the reduction of certain Non-Recurring Charges shall not be construed to be a waiver of the Cannonsburg District's right to contest a similar finding or recommendation in a future rate proceeding. Cannonsburg District expressly reserves its right to do so.

2. Cannonsburg District has reduced the number of credit cards issued to its employees. Currently only 4 employees are issued credit cards. Also, effective October 29, 2024 Cannonsburg District has implemented the attached written policy that must be signed by each employee assigned a credit card.

3. In its report Commission Staff found Cannonsburg District's Revenue Requirement from Rates to be \$2,988,124, which requires revenue increase of \$484,805, or 19.37 percent. Cannonsburg District requests the Commission authorize the assessment of the water rates contained in Appendix A of the Commission Staff Report.

4. The vehicle fleet management was originally entered into on May 24, 2016 between Cannonsburg District and Enterprise Fleet Management. The vehicle lease/purchases are open-ended and are not term contracts.

5. Cannonsburg District concurs with the remainder of the findings presented in the Commission Staff Report.
