RE: Formal Application to Increase Rates Pursuant to
Purchased Water Adjustment Regulation 807 KAR 5:068

Dear Ms. Bridwell:

The North Shelby Water Company respectfully requests that the Commission allow for an adjustment to our rates in accordance with 807 KAR 5:068 Purchased Water Adjustment clause.

The Company was recently notified by its supplier, Louisville Water Company, that it will increase meter service charges by \$28.92 per month and increase wholesale rates by \$0.09 per 1000 gallons. These increases will take effect on July 1, 2024. The Company was also recently notified by another supplier, the Shelbyville Municipal Water & Sewer Commission, that it would increase its wholesale rates by \$0.06 per 1000 gallons. This increase will take effect on May 19, 2024. The combined result of these increases is \$36,640.32 in additional yearly supply cost for the Company. This translates into \$0.08 per 1000 gallons of water sold to our customers. Therefore, we propose to increase our rates by that amount.

The following supporting documentation is enclosed for your review:

Exhibit A – Purchase Water Rate Adjustment

Exhibit B – Copy of Louisville Water Company's Notice of an Increase in Wholesale Rates

Exhibit C – Copy Shelbyville Municipal Water & Sewer Commission's Notice of an Increase in Wholesale Rates

Exhibit D – Statement of Water Purchased

Exhibit E – Statement of Water Sold

Exhibit F – Notice to Customers

Exhibit G – Revised Tariff Sheet

Exhibit H – An executed copy of the Resolution of the Board of Directors formally authorizing the proposed rates.

The Notice to Customers will be published in accordance with Commission regulations and verification of its publication will be provided to the Commission.

Should you have any questions please contact Lee Mudd at (502) 839-1310, as he is handling this matter on behalf of the Company.

Sincerely,

Bryan Franklin, President
