## BLUEGRASS WATER'S MOTION TO AMEND THE PROCEDURAL SCHEDULE

Bluegrass Water Utility Operating Company, LLC ("Bluegrass Water" or the "Company"), by and through counsel, respectfully requests that the Commission amend the procedural schedule set forth in Exhibit A of the Commission's August 5, 2024 order as amended by the Commission's September 19, 2024 order. Specifically, the Company seeks an additional sixty (60) days to request that the Commission render a decision based on the written record.

In support of this motion, Bluegrass Water states that it recently received information indirectly from a third party agency that may require the Company to supplement its responses to the Commission's data requests. The Company is evaluating the information and will need to speak directly with the third party agency, as well as the Company's engineering consultants, to understand fully any potential ramifications to the proposed project. Given this recent development and potential scheduling difficulties posed by the upcoming holidays, an additional sixty (60) days would aid the Company in evaluating the information and determining whether supplemental responses are required. Bluegrass Water also states that, at this time, it does not

anticipate requesting a public hearing, although the Company reserves the right to do so pending its assessment of the new information. Therefore, the Company respectfully requests that the Commission amend the procedural schedule to allow the Company an additional sixty (60) days to request either a public hearing or a decision based on the written record.

This 15<sup>th</sup> day of November, 2024.

Respectfully submitted,
