Re: Case No. 2024-00196
Sandy Hook Water District
Alternative Rate Filing Adjustment

Dear Ms. Bridwell:

The Sandy Hook Water District (Sandy Hook) submits the following comments concerning the Commission Staff Report dated March 24, 2025:

1. Although Sandy Hook does not agree with the Staff's removal of labor expenses from certain nonrecurring charges, Sandy Hook does not wish to contest that adjustment in this case. The district's failure to object to Staff's findings and recommendations concerning the reduction of certain Non-Recurring Charges shall not be construed as a waiver of Sandy Hook's right to contest a similar finding or recommendation in a future rate proceeding. Sandy Hook reserves its right to do so.
2. Sandy Hook concurs with the findings presented in the Staff Report regarding water rates.
3. Sandy Hook waives its right to request an informal conference or hearing in this case.

Sincerely,

Jessica Litton-Adkins
General Manager
