RE: Case No. 2024-00199  
Webster County Water District  
Response to Request for Information #1 Supplement

Dear Ms. Bridwell:

Enclosed for filing in the referenced case is Webster County Water District's supplement to its Response to Request for Information #1.

The files labeled 7a Life Insurance 2024 and 7b Life Insurance 2025 were labeled incorrectly. They should have been labeled 7a Medical Dental Life Insurance 2024 and 7b Medical Dental Life Insurance 2025, respectively. The files have not changed; instead, the file names have been changed to correctly reflect the contents.

Also, the files 7a KPPA 2024 and 7b KPPA 2025 were inadvertently excluded when the other files related to the Response to Request for Information #1 were uploaded.

Sincerely,

A handwritten signature in blue ink that reads "Robert K. Miller".
