RE: Case No. 2024-00199
Webster County Water District
Response to Third Request for Information

Dear Ms. Bridwell:

Enclosed for filing in the referenced case are Webster County Water District's response to Kentucky Public Service Commission staff's third Request for Information. This response was due back to the Commission by July 2, 2025 and the District provided the response information to me on a timely basis, but I inadvertently failed to file the response until reminded by a telephone call from Mr. William Pearce of the Commission staff.

Sincerely,

Robert K. Miller
