RATEMAKING MECHANISM)	

**ATMOS ENERGY CORPORATIONS’S MOTION
FOR INFORMAL CONFERENCE AND HEARING**

Comes now Atmos Energy Corporation (“Atmos Energy”), by and through counsel, pursuant to KRS 61.878, 807 KAR 5:001, Section 13 and other applicable law, and requests that the Kentucky Public Service Commission (“Commission”) schedule an informal conference and, or, a hearing in the above-captioned proceeding, respectfully states as follows:

1. On September 27, 2024, the Commission issued an Order establishing a procedural schedule for the processing of this matter. The September 27, 2024 Order established multiple discovery dates¹ and a date for any party in the case to request the case be submitted for a decision on the record.

2. Due to the complexity of the Performance Based Ratemaking Mechanism (“PBR”) Atmos Energy is requesting the Commission schedule an informal conference to discuss the issues in this proceeding. Atmos Energy believes an informal conference in this matter will aid in the successful resolution of this matter.

3. If the Commission does not believe an informal conference will aid in the resolution of this matter, Atmos Energy would instead request the Commission schedule a hearing in this

matter. Atmos Energy does not object to the scheduling of an informal conference prior to the Commission scheduling a hearing, this will allow the Commission to determine if there are any issues remaining after the informal conference that would necessitate a formal hearing.

WHEREFORE, on the basis of the foregoing, Atmos Energy respectfully requests the Commission to enter an Order scheduling an informal conference with Commission Staff or schedule a hearing in this matter.

This the 17th day of December, 2024.

Respectfully submitted,
