RE: *Electronic Application of Licking Valley Rural Electric Cooperative Corporation for a General Adjustment of Rates and Other General Relief*  
**Case No. 2024-00211**

Dear Ms. Bridwell:

The Commission's August 8, 2025 Order found information regarding executive staff job titles and corresponding salaries provided in the response to the Attorney General's First Request for Information, Item 4 and Item 5 should not be granted confidential protection. When reviewing the responses to provide the documents to comply with the Commission's August 8, 2025 Order, it was discovered there was not executive titles or corresponding salaries. Licking Valley Rural Electric Cooperative Corporation only has one executive officer, the President and CEO, and that information was not contained in the documents. Therefore, Licking Valley has no information to provide in compliance with the August 8, 2025 Order.

This is to certify that the electronic filing was made on September 2, 2025, and there are no parties the Commission has excused from electronic filing procedures. Pursuant to the Commission's July 22, 2022 Order in Case No. 2020-00085, no paper copies of filings will be made.

If you have any questions, please let me know.

Sincerely,

*Heather S. Temple*
