June 3, 2024

The Commission of Muhlenberg County Water District No. 3 had a Special Call meeting on June 3, at 2:00PM in the water office in Bremen, Kentucky with the following present:

Commission:
Billy Holland
Doug Anderson
Cindy Darr
Billy Landrum

Doug Anderson said the prayer and Billy Holland opened the meeting.

The Central City rate increase was discussed. At the meeting with the districts and Central City, Central City agreed to wait to put their rate into effect after the districts get their PWA approved. Cindy has spoken with Jason Pannell at KRWA and said he can file our paperwork along with the other district at the same time. Doug Anderson made motion to continue with the pass through from Central City. Billy Holland seconded the motion. The motion carried.

The District's rate increase was discussed. A motion was made by Doug Anderson to approve the 19.68% that the PSC recommended, take off the surcharge of \$1.10/meter, allow Ariel to write a letter disagreeing with the nonrecurring charges, and do all of the rate increase at once time. Billy Holland seconded the motion. The motion carried.

Central City requested help from our field crew to fix a leak at Pace tire. A labor agreement does not exist with them and the District regarding this issue. After speaking with Damon, a rough draft was presented to the board to consider. This was tabled until next meeting on June 17, 2024.

No other business coming before the commission, Billy Holland adjourned the meeting.
