Kentucky Public Service Commission
Electronic Filing

RE: READ 1ST; Electronic Application of Bracken County Water District (“BCWD”, to Approve contract for water utility asset transfer from a developer to a utility, and a CPCN to approve the system improvement and/or a Declaratory Order that a CPCN is not necessary for water asset transfer from a developer to a utility;

KY PSC Case No. 2024-00222

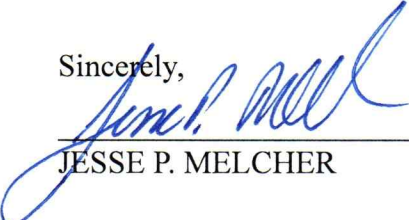

To whom it may concern:

Please be advised that I represent the interests of the BCWD, relative to a request for KY PSC, to approve a contractual agreement to transfer water assets of Augusta Brooksville Bracken Industrial Authority (“ABBIA”) to BCWD, pursuant to the applicably cited KY PSC decisions/rulings and applicable case law, and to determine if a CPCN is necessary or alternatively a Declaratory Order that No CPCN is necessary.

I have attached in addition to the Electronic Application, the contractual agreement between the parties (Exhibit “A”); an affidavit of chairman of developer, ABBIA that they are not in the business nor have they sold water, (Exhibit “B”); and an affidavit of counsel that the applicant BCWD is a water district, and quasi-governmental entity of the Bracken County Fiscal Court, (Exhibit “C”).

If the Commission and/or staff have any questions or need any additional information to process, please let me know.

Sincerely,

JESSE P. MELCHER
