## CUSTOMER NOTICE

Notice is hereby given that the Southern Water and Sewer District expects to file an application with the Kentucky Public Service Commission on or about December 23, 2024, seeking approval of a proposed adjustment to its water rates. The proposed rates shall not become effective until the Public Service Commission has issued an order approving these rates.

This is an increase of \$15.14 or 25.32%.

The rates contained in this notice are the rates proposed by Southern Water and Sewer District. However, the Public Service Commission may order rates to be charged that differ from these proposed rates. Such action may result in rates for consumers other than the rates shown in this notice.

# Reasons for Application

Southern Water and Sewer District (“the District”) is requesting a 15.23 percent rate increase for all of its water customers. The rate increase will generate approximately \$489,325 in additional annual revenue. A Water Loss Reduction Surcharge of \$6.83 per customer per month is included in the application to help lower system losses to more acceptable levels.

The District needs the rate increase for the following reasons:

1. To enable the District to pay its annual principal payments on its existing long-term debt from water revenues rather than from depreciation reserves;
2. To enable the District to meet the requirements set forth in its existing debt instruments;
3. To restore the District to a sound financial condition; and
4. To enable the District to enhance its financial capacity so it can continue to operate its system in compliance with the federal Safe Drinking Water Act, as amended in 1996, and KRS Chapter 151.

## REFERENCES

- A. The Current Billing Analysis results in pro forma Metered Retail Sales Revenue of \$3,278,848. This reflects a full year at the rates that were effective in 2023 and indicates a decrease to reported Metered Sales of \$158,990 is required.
- B. The District's test year water loss was 43.94 percent. The PSC's maximum allowable loss for rate-making purposes is 15.0 percent. Therefore, the expenses for Purchased Water above the 15 percent limit are not allowed in the rate base and must be deducted which results in a decrease of \$167,559. Similarly, the adjustment to expenses for Purchased Power results in a decrease of \$169,580 and the adjustment to Chemicals results in a decrease of 109,822.
- C. The PSC requires adjustments to a water utility's depreciation expense when asset lives fall outside the ranges recommended by NARUC in its publication titled "Depreciation Practices for Small Utilities". Therefore, adjustments are included to bring asset lives to the midpoint of the recommended ranges resulting in a decrease of depreciation expense of \$45,586 as detailed in attached Table A.
- D. During the 2023 Audit, the auditors made a one-time nonrecurring entry to record a bad debt expense and reduce accounts receivable by \$989,985 to reflect an accumulation of account balances from prior years that have become uncollectable.

Section 3.2. Principal Amount of Loan Established; Loan Payments; Disbursement of Funds. The principal amount of the Loan shall be the Loan Amount as identified in the Project Specifics, subject to such adjustments as may be set forth in the Schedule of Payments. Principal payments shall be made semiannually in the amounts and on the dates to be established by the Schedule of Payments, which Schedule of Payments shall provide for approximately level debt service payments over the Repayment Term set forth in the Project Specifics, commencing with the Amortization Commencement Date set forth in the Project Specifics.

Each disbursement under a Requisition for Funds representing a portion of the principal amount of the Loan shall bear interest at the Loan Rate from the date of the disbursement; subject to the requirements set forth in Article IV hereof.

Payments of principal and interest on the Loan shall be made at the principal office of the Authority or the Trustee, as designated by the Authority.

advise the Governmental Agency (i) of its intention to proceed with the authorization of such bonds (ii) of the limitation on prepayments after such bonds are issued and (iii) that the Governmental Agency has thirty (30) days from its receipt of said notice to exercise its option to prepay the Loan. Upon the expiration of said thirty day period the Governmental Agency's right to prepay the Loan shall be limited to the terms described in such notice.

Section 3.4. Subordination of Loan. The Authority hereby agrees that the security interest and source of payment for the Loan shall be inferior and subordinate to the security interest and source of payment for the Debt Obligations of the Governmental Agency payable from the revenues of the System outstanding at the time this Assistance Agreement is executed as identified in the Project Specifics; provided, however, the Authority shall receive notice of any additional financings in accordance with Section 5.5(D) hereof.

ARTICLE IV

CONDITIONS PRECEDENT TO DISBURSEMENT;  
REQUISITION FOR FUNDS

Section 4.1. Covenants of Governmental Agency and Conditions of Loan. By the execution of this Assistance Agreement, the Governmental Agency agrees that prior to any requests for the disbursement of all or a portion of the Loan made hereunder, the Governmental Agency shall supply the Authority, if requested, appropriate documentation, satisfactory to the Authority, in its sole discretion, indicating the following:

(A) That the Authority and any appropriate regulatory agency of the Commonwealth as may be designated by the Authority, and their respective duly authorized agents, shall have the right at all reasonable times, subject to prior notice to the Governmental Agency, to enter upon the Project and to examine and inspect same.

(B) All real estate and interest in real estate and all personal property constituting the Project and the Project sites heretofore or hereafter acquired shall at all times be and remain the property of the Governmental Agency and constitute a part of the System.

(C) In the event the Governmental Agency is required to provide financing for the Project from sources other than the Authority (as described in the Project Specifics) the Authority shall have the right to receive such reasonable proofs as it may require of the ability of the Governmental Agency to finance the costs of Construction of the Project over and above the Loan, prior to the disbursement by the Authority of any portion of the Loan.

(D) The Governmental Agency shall do all things necessary to acquire all proposed and necessary sites, easements and rights of way necessary or required in respect of the Project and demonstrate its ability to construct the Project in accordance with the plans, design and specifications prepared for the Governmental Agency by the Engineers.

(E) Actual construction and installation incident to the Project shall be performed by either the lump-sum (fixed price) or unit price contract method, and adequate legal methods of obtaining public, competitive bidding will be employed prior to the awarding of the construction contract for the Project in accordance with Kentucky law.

(F) Unless construction of the Project has already been initiated as of the date of this Assistance Agreement, pursuant to due compliance with state law and applicable regulations, the Project will not be advertised or placed on the market for construction bidding by the Governmental Agency until the final plans, designs and specifications therefor have been approved by such state and federal agencies and authorities as may be legally required, and until written notification of such approvals has been received by the Governmental Agency and furnished to the Authority.

(G) Duly authorized representatives of the Authority and such other agencies of the Commonwealth as may be charged with responsibility will have reasonable access to the construction work whenever it is in preparation or progress, and the Governmental Agency will assure that the contractor or contractors will provide facilities for such access and inspection.

(H) The construction contract or contracts shall require the contractor to comply with all provisions of federal and state law legally applicable to such work, and any amendments or modifications thereto, together with all other applicable provisions of law, to cause appropriate provisions to be inserted in subcontracts to insure compliance therewith by all subcontractors subject thereto, and to be responsible for the submission of any statements required of subcontractors thereunder.

(I) A work progress schedule utilizing a method of standard acceptance in the engineering community shall be prepared prior to the institution of construction in connection with each construction contract, or, if construction has already been initiated as of the date of this Assistance Agreement, at the earliest practicable date, to indicate the proposed schedule as to completion of the Project, and same shall be maintained monthly thereafter to indicate the actual construction progress of the Project.

(J) Prior to the award of the construction contract and prior to the commencement of construction, the Governmental Agency will arrange and conduct a conference as to the Project said conference to include representatives of the Authority, the Governmental Agency, and any other participating federal or state agency, the Engineers, and all construction contractors. A written brief of said conference summarizing the construction schedule, fund requirements schedule, payment authorizations, responsible parties for approval of all facets of the construction work and payment therefor, and other pertinent matters shall be prepared and distributed to each agency involved, and all construction contractors and Engineers.

Provided, however, that in the event construction shall have been initiated as of the date of this Assistance Agreement, this provision may be waived.

(K) All construction contracts will be so prepared that federal participation costs, if any, and state participation costs may be readily segregated from local participation costs, if any, and from each other, and in such manner that all materials and equipment furnished to the Governmental Agency may be readily itemized.

(L) Any change or changes in a construction contract will be promptly submitted to the Authority and any state or federal agencies.

(M) The Construction, including the letting of contracts in connection therewith, will conform in all respects to applicable requirements of federal, state and local laws, ordinances, rules and regulations.

(N) The Governmental Agency will proceed expeditiously with and complete the Project in accordance with the approved surveys, plans specifications and designs or amendments thereto, prepared by the Engineers to the Governmental Agency and approved by state and federal agencies, but only to the extent such approvals may be required.

(O) If requested, the Governmental Agency will erect at the Project sites, signs satisfactory to the Authority noting the participation of the Authority in the financing of the Project.

(P) Except as otherwise provided in this Assistance Agreement, the Governmental Agency shall have the sole and exclusive charge of all details of the Construction.

(Q) The Governmental Agency shall keep complete and accurate records of the costs of acquiring the Project sites and the costs of Construction. The Governmental Agency shall permit the Authority, acting by and through its duly authorized representatives, and the duly authorized representatives of state and/or federal agencies to inspect all books, documents, papers and records relating to the Project at any and all reasonable times for the purpose of audit and examination, and the Governmental Agency shall submit to the Authority such documents and information as such public bodies may reasonably require in connection with the administration of any federal or state grants.

(R) The Governmental Agency shall require that any bid for any portion of the Construction of the Project be accompanied by a bid bond, certified check or other negotiable

instrument payable to the Governmental Agency, as assurance that the bidder will, upon acceptance of such bid, execute the necessary contractual documents within the required time.

(S) The Governmental Agency shall require that each construction contractor or contractors furnish a performance and payment bond in an amount at least equal to one hundred percent (100%) of the contract price or the portion of the Project covered by the particular contract as security for the faithful performance of such contract.

(T) The Governmental Agency shall require that each of its contractors and all subcontractors maintain during the life of the construction contract, worker's compensation insurance, public liability insurance, property damage insurance and vehicle liability insurance in amounts and on terms satisfactory to the Authority. Until the Project facilities are completed and accepted by the Governmental Agency, the contractor, shall maintain builders risk insurance (fire and extended coverage) on a one hundred percent (100%) basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Governmental Agency, the prime contractor, and all subcontractors, as their interests may appear.

(U) The Governmental Agency shall provide and maintain competent and adequate resident engineering services covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that Construction conforms to the approved plans, specifications and designs prepared by the Engineers. Such resident engineer shall certify to the Authority, any involved state or federal agencies, and the Governmental Agency at the completion of construction that construction is in accordance with the approved plans, specifications and designs, or, approved amendments thereto.

(V) The Governmental Agency shall demonstrate to the satisfaction of the Authority the legal capability of the Governmental Agency to enact, adopt, levy, charge, collect, enforce and remit to the Authority the Service Charges of the Governmental Agency described in the Schedule of Service Charges attached to and made a part of this Assistance Agreement as Exhibit C and submit proof satisfactory to the Authority that the Service Charges are in full force and effect as of the submission of the initial Requisition for Funds.

Section 4.2. Disbursements of Loan; Requisition for Funds. The Governmental Agency may submit to the Authority (or the Trustee acting on behalf of the Authority, if so designated) a Requisition for Funds during the first ten days of each month (or such other designated period as is acceptable

to the Authority), in substantially the same form as that attached to this Assistance Agreement as Exhibit B and made a part hereof, accompanied by, to the extent requested by the Authority, the following documentation:

(A) A full and complete accounting of the costs of the Project to be obligated by contract or otherwise during the month in question, or already obligated and not included in any previous accounting;

(B) A full and complete accounting of any costs of the Project paid by the Governmental Agency from its own funds with the approval of the Authority and not included in any previous accounting for which it seeks reimbursement;

(C) A full and complete accounting of any costs of the Project paid or requisitioned under any other financing, loan, bond, grant or similar agreement or paid from its own funds for which it does not seek reimbursement and which have not been identified in any previous requisition form.

(D) The contractor's estimate of work performed during the preceding month pursuant to construction contracts for the Project and payment thereunder due, together with the Engineer's and Governmental Agency's approval thereof for payment by the Authority directly to the contractor.

Upon the Authority's receipt of the Requisition for Funds, and such additional documentation as it may require, the Authority may direct the Trustee to remit the amount requested to the Governmental Agency as a draw upon the Loan.

(B) Failure by the Governmental Agency to observe or perform any covenant, condition or agreement on its part to be observed or performed, other than as referred to in subsection (A) of this Section, for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied will have been given to the Governmental Agency by the Authority unless the Authority agrees in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice cannot be corrected within the applicable period, the Authority will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by the Governmental Agency within the applicable period and diligently pursued until such failure is corrected.

(C) The dissolution or liquidation of the Governmental Agency, or the voluntary initiation by the Governmental Agency of any proceeding under any federal or state law relating to bankruptcy, insolvency, arrangement, reorganization, readjustment of debt or any other form of debtor relief, or the initiation against the Governmental Agency of any such proceeding which will remain undismissed for sixty (60) days, or the entry by the Governmental Agency into an agreement of composition with creditors or the failure generally by the Governmental Agency to pay its debts as they become due.

No delay or omission to exercise any right or power accruing upon any default will impair any such right or power and any such right and power may be exercised from time to time and as often as may be deemed expedient.

Section 8.5. Consent to Powers of Authority Under Act. The Governmental Agency hereby acknowledges to the Authority its understanding of the provisions of the Act, vesting in the Authority certain powers, rights and privileges in respect of the Project upon the occurrence of an Event of Default, and the Governmental Agency hereby covenants and agrees that if the Authority should in the future have recourse to said rights and powers, the Governmental Agency shall take no action of any nature whatsoever calculated to inhibit, nullify, void, delay or render nugatory such actions of the Authority in the due and prompt implementation of this Assistance Agreement.

Section 8.6. Waivers. In the event that any agreement contained herein should be breached by either party and thereafter waived by the other party, such waiver will be limited to the particular breach so waived and will not be deemed to waive any other breach hereunder.

Section 8.7. Agreement to Pay Attorneys' Fees and Expenses. In the event that either party hereto will default under any of the provisions hereof and the nondefaulting party employs attorneys or incurs other expenses for the enforcement of performance or observance of any obligation or agreement on the part of the defaulting party herein contained, the defaulting party agrees that it will pay on demand therefor to the nondefaulting party the fees of such attorneys and such other expenses so incurred by the nondefaulting party.

**PROJECT DESCRIPTION**

On September 16, 1991, the Kentucky Infrastructure Authority Board approved a loan in the amount of \$4,262,372 and a grant in the amount of \$2,000,000 to the Beaver-Elkhorn Water District for upgrading the water treatment plant and construction of several water lines to serve approximately 1,501 potential residences. Since the approval there has arisen a need to split the project into two phases to allow Phase I to go forward. We are presenting Phase I for approval with the intent to present Phase II in the near future.

Phase I will supply needed water storage capacity and adequate pressure to the Right Beaver water system. This will benefit several schools including Allen Central High School and Duff Elementary School. In addition, the Left Beaver water system will be extended approximately two miles from Price to Buckingham. As a result, the new Left Beaver High School will be served and part of the line will be provided in order to be able to serve Melvin and Wessobury in Phase II. Construction will include three new pump stations.

Re: Assistance Agreement by and between Kentucky  
Infrastructure Authority and Beaver Elkhorn  
Water District dated as of March 8, 1993

Ladies and Gentlemen:

The undersigned is an attorney at law duly admitted to the practice of law in the Commonwealth of Kentucky and is legal counsel to Beaver Elkhorn Water District, hereinafter referred to as the "Governmental Agency". I am familiar with the organization and existence of the Governmental Agency and the laws of the Commonwealth applicable thereto. Additionally I am familiar with the infrastructure project (the "Project") with respect to which the Assistance Agreement by and between the Kentucky Infrastructure Authority ("Authority") and the Governmental Agency is being authorized, executed and delivered.

I have reviewed the form of Assistance Agreement by and between the Authority and the Governmental Agency, the resolution or ordinance of the governing authority authorizing the execution and delivery of said Assistance Agreement and the plans, designs and specifications prepared by the Engineers for the Governmental Agency with respect to the Project.

Based upon my review I am of the opinion that:

- 1) The Governmental Agency is duly organized and existing political subdivision or body politic of the Commonwealth of Kentucky validly existing under the Constitution and statutes of the Commonwealth of Kentucky.
- 2) The Assistance Agreement has been duly executed and delivered by the Governmental Agency and is a valid and binding obligation of the Governmental Agency enforceable in accordance with its terms, except to the extent that the enforceability thereof may be limited by equitable principles and by bankruptcy, reorganization, moratorium, insolvency or

similar laws heretofore or hereafter enacted relating to or affecting the enforcement of creditors' rights or remedies generally.

3) The Governmental Agency has all necessary power and authority (i) to enter into, perform and consummate all transactions contemplated by the Assistance Agreement, and (ii) to execute and deliver the documents and instruments to be executed and delivered by it in connection with the construction of the Project.

4) The Service Charges, as defined in the Assistance Agreement, are in full force and effect and have been duly and lawfully adopted by the Governmental Agency.

5) The execution and delivery of the Assistance Agreement and the performance by the Governmental Agency of its obligations thereunder does not and will not conflict with, violate or constitute a default under any court or administrative order, decree or ruling, or any law, statute, ordinance or regulation, or any agreement, indenture, mortgage, lease, note or other obligation or instrument, binding upon the Governmental Agency, or any of its properties or assets. The Governmental Agency has obtained each and every authorization, consent, permit, approval or license of, or filing or registration with, any court or governmental department, commission, board, bureau, agency or instrumentality, or any specifically granted exemption from any of the foregoing, that is necessary to the valid execution, delivery or performance by the Governmental Agency of the Assistance Agreement and the imposition of the Service Charges.

6) To the best of my knowledge after due inquiry there is no action, suit, proceedings or investigation at law or in equity before any court, public board or body pending or threatened against, affecting or questioning (i) the valid existence of the Governmental Agency, (ii) the right or title of the members and officers of the Governmental Agency to their respective positions, (iii) the authorization, execution, delivery or enforceability of the Assistance Agreement or the application of any monies or security therefor, (iv) the construction of the Project, (v) the validity or enforceability of the Service Charges or (vi) that would have a material adverse impact on the ability of the Governmental Agency to perform its obligations under the Assistance Agreement.

*(606) 886-2431*

7) None of the proceedings or authority heretofore had or taken by the Governmental Agency for the authorization, execution or delivery of the Assistance Agreement has or have been repealed, rescinded, or revoked.

8) All proceedings and actions of the Governmental Agency with respect to which the Assistance Agreement is to be delivered were had or taken at meetings properly convened and held in substantial compliance with the applicable provisions of Sections 61.805 to 61.850 of the Kentucky Revised Statutes.

Very truly yours,

*John Allen*

Section 3.2. Principal Amount of Loan Established; Loan Payments; Disbursement of Funds. The principal amount of the Loan shall be the Loan Amount as identified in the Project Specifics, subject to such adjustments as may be set forth in the Schedule of Payments. Principal payments shall be made semiannually in the amounts and on the dates to be established by the Schedule of Payments, which Schedule of Payments shall provide for approximately level debt service payments over the Repayment Term set forth in the Project Specifics, commencing with the Amortization Commencement Date set forth in the Project Specifics.

Each disbursement under a Requisition for Funds representing a portion of the principal amount of the Loan shall bear interest at the Loan Rate from the date of the disbursement; subject to the requirements set forth in Article IV hereof.

Payments of principal and interest on the Loan shall be made at the principal office of the Authority or the Trustee, as designated by the Authority.

Section 3.3. Governmental Agency's Right to Repay Loan. The Governmental Agency shall have the right to prepay and retire the entire amount of the Loan at any time without penalty upon written notice to the Authority no less than five (5) Business Days in advance of said prepayment.

Notwithstanding the foregoing, upon the determination by the Authority that it intends to issue revenue bonds secured by a pledge of the payments on the Loan, the Authority shall advise the Governmental Agency (i) of its intention to proceed with the authorization of such bonds (ii) of the limitation on prepayments after such bonds are issued and (iii) that the Governmental Agency has thirty (30) days from its receipt of said notice to exercise its option to prepay the Loan. Upon the expiration of said thirty day period the Governmental Agency's right to prepay the Loan shall be limited to the terms described in such notice.

Section 3.4. Subordination of Loan. The Authority hereby agrees that the security interest and source of payment for the Loan shall be inferior and subordinate to the security

interest and source of payment for the Debt Obligations of the Governmental Agency payable from the revenues of the System outstanding at the time this Assistance Agreement is executed as identified in the Project Specifics; provided, however, the Authority shall receive notice of any additional financings in accordance with Section 5.5(D) hereof.

#### ARTICLE IV

##### CONDITIONS PRECEDENT TO DISBURSEMENT; REQUISITION FOR FUNDS

Section 4.1. Covenants of Governmental Agency and Conditions of Loan. By the execution of this Assistance Agreement, the Governmental Agency agrees that prior to any requests for the disbursement of all or a portion of the Loan made hereunder, the Governmental Agency shall supply the Authority, if requested, appropriate documentation, satisfactory to the Authority, in its sole discretion, indicating the following:

(A) That the Authority and any appropriate regulatory agency of the Commonwealth as may be designated by the Authority, and their respective duly authorized agents, shall have the right at all reasonable times, subject to prior notice to the Governmental Agency, to enter upon the Project and to examine and inspect same.

(B) All real estate and interest in real estate and all personal property constituting the Project and the Project sites heretofore or hereafter acquired shall at all times be and remain the property of the Governmental Agency and constitute a part of the System.

(C) In the event the Governmental Agency is required to provide financing for the Project from sources other than the Authority (as described in the Project Specifics) the Authority shall have the right to receive such reasonable proofs as it may require of the ability of the Governmental Agency to finance the costs of Construction of the Project over and above the Loan, prior to the disbursement by the Authority of any portion of the Loan.

(D) The Governmental Agency shall do all things necessary to acquire all proposed and necessary sites, easements and rights of way necessary or required in respect of the Project and demonstrate its ability to construct the Project in accordance with the plans, design and specifications prepared for the Governmental Agency by the Engineers.

(E) Actual construction and installation incident to the Project shall be performed by either the lump-sum (fixed price) or unit price contract method, and adequate legal methods of obtaining public, competitive bidding will be employed prior to the awarding of the construction contract for the Project in accordance with Kentucky law.

(F) Unless construction of the Project has already been initiated as of the date of this Assistance Agreement, pursuant to due compliance with state law and applicable regulations, the Project will not be advertised or placed on the market for construction bidding by the Governmental Agency until the final plans, designs and specifications therefor have been approved by such state and federal agencies and authorities as may be legally required, and until written notification of such approvals has been received by the Governmental Agency and

furnished to the Authority.

(G) Duly authorized representatives of the Authority and such other agencies of the Commonwealth as may be charged with responsibility will have reasonable access to the construction work whenever it is in preparation or progress, and the Governmental Agency will assure that the contractor or contractors will provide facilities for such access and inspection.

(H) The construction contract or contracts shall require the contractor to comply with all provisions of federal and state law legally applicable to such work, and any amendments or modifications thereto, together with all other applicable provisions of law, to cause appropriate provisions to be inserted in subcontracts to insure compliance therewith by all subcontractors subject thereto, and to be responsible for the submission of any statements required of subcontractors thereunder.

(I) A work progress schedule utilizing a method of standard acceptance in the engineering community shall be prepared prior to the institution of construction in connection with each construction contract, or, if construction has already been initiated as of the date of this Assistance Agreement, at the earliest practicable date, to indicate the proposed schedule as to completion of the Project, and same shall be maintained monthly thereafter to indicate the actual construction progress of the Project.

(J) Prior to the award of the construction contract and prior to the commencement of construction, the Governmental Agency will arrange and conduct a conference as to the Project said conference to include representatives of the Authority, the Governmental Agency, and any other participating federal or state agency, the Engineers, and all construction contractors. A written brief of said conference summarizing the construction schedule, fund requirements schedule, payment authorizations, responsible parties for approval of all facets of the construction work and payment therefor, and other pertinent matters shall be prepared and distributed to each agency involved, and all construction contractors and Engineers. Provided, however, that in the event construction shall have been initiated as of the date of this Assistance Agreement, this provision may be waived.

(K) All construction contracts will be so prepared that federal participation costs, if any, and state participation costs may be readily segregated from local participation costs, if any, and from each other, and in such manner that all materials and equipment furnished to the Governmental Agency may be readily itemized.

(L) Any change or changes in a construction contract will be promptly submitted to the Authority and any state or federal agencies.

(M) The Construction, including the letting of contracts in connection therewith, will conform in all respects to applicable requirements of federal, state and local laws, ordinances, rules and regulations.

(N) The Governmental Agency will proceed expeditiously with and complete the Project in accordance with the approved surveys, plans specifications and designs or amendments thereto, prepared by the Engineers to the Governmental Agency and approved by state and federal

agencies, but only to the extent such approvals may be required.

(O) If requested, the Governmental Agency will erect at the Project sites, signs satisfactory to the Authority noting the participation of the Authority in the financing of the Project.

(P) Except as otherwise provided in this Assistance Agreement, the Governmental Agency shall have the sole and exclusive charge of all details of the Construction.

(Q) The Governmental Agency shall keep complete and accurate records of the costs of acquiring the Project sites and the costs of Construction. The Governmental Agency shall permit the Authority, acting by and through its duly authorized representatives, and the duly authorized representatives of state and/or federal agencies to inspect all books, documents, papers and records relating to the Project at any and all reasonable times for the purpose of audit and examination, and the Governmental Agency shall submit to the Authority such documents and information as such public bodies may reasonably require in connection with the administration of any federal or state grants.

OPINION OF COUNSEL

[Letterhead of Counsel to Governmental Agency]

[Date]

Kentucky Infrastructure Authority  
Room 075 Capitol Annex  
Frankfort, Kentucky

RE: Assistance Agreement by and between Kentucky Infrastructure Authority and Beaver-Elkhorn Water District, Floyd County, Kentucky, dated as of October 1, 1995

Ladies and Gentlemen:

The undersigned is an attorney at law duly admitted to the practice of law in the Commonwealth of Kentucky and is legal counsel to Beaver-Elkhorn Water District, hereinafter referred to as the "Governmental Agency". I am familiar with the organization and existence of the Governmental Agency and the laws of the Commonwealth applicable thereto. Additionally I am familiar with the infrastructure project (the "Project") with respect to which the Assistance Agreement by and between the Kentucky Infrastructure Authority ("Authority") and the Governmental Agency is being authorized, executed and delivered.

I have reviewed the form of Assistance Agreement by and between the Authority and the Governmental Agency, the resolution or ordinance of the governing authority authorizing the execution and delivery of said Assistance Agreement and the plans, designs and specifications prepared by the Engineers for the Governmental Agency with respect to the Project.

Based upon my review I am of the opinion that:

- 1) The Governmental Agency is a duly organized and existing political subdivision or body politic of the Commonwealth of Kentucky validly existing under the Constitution and statutes of the Commonwealth of Kentucky.
- 2) The Assistance Agreement has been duly executed and delivered by the Governmental Agency and is a valid and binding obligation of the Governmental Agency enforceable in accordance with its terms, except to the extent that the enforceability thereof may

be limited by equitable principles and by bankruptcy, reorganization, moratorium, insolvency or similar laws heretofore or hereafter enacted relating to or affecting the enforcement of creditors' rights or remedies generally.

3) The Governmental Agency has all necessary power and authority (i) to enter into, perform and consummate all transactions contemplated by the Assistance Agreement, and (ii) to execute and deliver the documents and instruments to be executed and delivered by it in connection with the construction of the Project.

4) The Service Charges, as defined in the Assistance Agreement, are in full force and effect and have been duly and lawfully adopted by the Governmental Agency.

5) The execution and delivery of the Assistance Agreement and the performance by the Governmental Agency of its obligations thereunder does not and will not conflict with, violate or constitute a default under any court or administrative order, decree or ruling, or any law, statute, ordinance or regulation, or any agreement, indenture, mortgage, lease, note or other obligation or instrument, binding upon the Governmental Agency, or any of its properties or assets. The Governmental Agency has obtained each and every authorization, consent, permit, approval or license of, or filing or registration with, any court or governmental department, commission, board, bureau, agency or instrumentality, or any specifically granted exemption from any of the foregoing, that is necessary to the valid execution, delivery or performance by the Governmental Agency of the Assistance Agreement and the imposition of the Service Charges.

6) To the best of my knowledge after due inquiry there is no action, suit, proceedings or investigation at law or in equity before any court, public board or body pending or threatened against, affecting or questioning (i) the valid existence of the Governmental Agency, (ii) the right or title of the members and officers of the Governmental Agency to their respective positions, (iii) the authorization, execution, delivery or enforceability of the Assistance Agreement or the application of any monies or security therefor, (iv) the construction of the Project, (v) the validity or enforceability of the Service Charges or (vi) that would have a material adverse impact on the ability of the Governmental Agency to perform its obligations under the Assistance Agreement.

7) None of the proceedings or authority heretofore had or taken by the Governmental Agency for the authorization, execution or delivery of the Assistance Agreement has or have been repealed, rescinded, or revoked.

8) All proceedings and actions of the Governmental Agency with respect to which the Assistance Agreement is to be delivered were had or taken at meetings properly convened and held in substantial compliance with the applicable provisions of Sections 61.805 to 61.850 of the Kentucky Revised Statutes.

Very truly yours,

Written approval or certification of the Engineers shall not be required for matters not under the jurisdiction of the Engineers, such as legal fees, land acquisition and related items.

During construction, the District shall disburse Construction Account funds in a manner consistent with RD Instruction 1780.

The District shall prepare and submit any and all RD Forms required by the RD. Periodic audits of the District's Construction Account records shall be made by RD as determined by it to be necessary.

**(4) Transfer of Capitalized Interest to Current**

**Sinking Fund.** There shall be transferred from the Construction Account an amount sufficient to provide for capitalized interest (initially estimated at \$7,000) during the construction of the Project, as approved by the Engineers and by the RD. If and to the extent not theretofore expended in paying interest on interim financing and if and to the extent then needed to pay interest during the remaining period of construction of the Project, such amount so transferred from the Construction Account shall be deposited in the Current Sinking Fund.

**(5) Investment of Funds in Construction Account.**

Pending disbursement of amounts on deposit in the Construction Account, all such funds, or such portion of said amounts on deposit in said Construction Account as is designated by the Commission, shall be invested for the benefit of such Construction Account in Certificates of Deposit, savings accounts or U.S. Obligations which may be converted readily into cash, having a maturity date prior to the date when the sums invested will be needed for costs of the Project (as determined by the Engineers, the Chairperson and the RD), provided that to the extent that any amounts on deposit in said Depository Bank shall cause the total deposits

of the District in said Depository Bank to exceed the amount insured by the FDIC, the same shall be continuously secured by a valid pledge of U.S. Obligations, having an equivalent market value, in conformity with Section 66.480 of the Kentucky Revised Statutes. Investments in Certificates of Deposit may be made only if a separate RD Form 402-4 Agreement is executed, if the RD has purchased any of the Bonds, and investments in Certificates of Deposit or savings accounts may be made only in such Certificates or accounts of an FDIC bank. Any such investments will be a part of the Construction Account, and income from such investments will be credited to the Construction Account. All such investments shall be subject to the limitations set out in Section 303 hereof.

**(6) Statements of Contractors, Engineers and Attorneys as to Payment.** Prior to the delivery of the Current Bonds, if the RD is the Purchaser of the Current Bonds, the District will be required to provide the RD with statements from the Contractors, Engineers and attorneys for the District that they have been paid to date in accordance with their contract or other agreements and, in the case of any Contractor, that he has paid his suppliers and subcontractors. Any exceptions must be authorized under RD Instruction 1780.

**(7) Disposition of Balance in Construction Account After Completion of Project.** When the Project has been completed and all construction costs have been paid in full, as certified by the Engineers for the District and/or by the RD, any balance then remaining in the Construction Account may, with the consent of the RD, be applied to the cost of constructing additional extensions, additions and improvements to the System (the "Additional Construction"). If such Additional Construction is to be undertaken by the Contractors previously engaged in the Project, such Additional Construction may be authorized by a change order.

If there is a balance remaining in the Construction Account after such Additional Construction, such balance shall be transferred to the Current Sinking Fund, whereupon said Construction Account shall be closed. Such remaining balance in the Construction Account so transferred to the Current Sinking Fund shall be used by the District immediately to prepay principal installments due on the Current Bonds in the inverse order of maturities without prepayment penalty, provided further that any balance insufficient to prepay at least \$100 of the principal payment falling due in any year on the Bonds will be transferred to the Depreciation Fund.

**Section 302. Interim Financing Authorization.**

**A. Interim Financing.** The District shall use interim financing for the Project during construction of that portion of the cost of the Project financed by the Current Bonds, if available at reasonable rates and terms.

The borrowing of up to the aggregate sum of \$530,000 from the Interim Lender is hereby authorized; and the Chairperson is hereby authorized to execute the Note in the name and on behalf of the District. Each advance under the Note shall evidence a loan by the Interim Lender to the District for services rendered and/or materials supplied in connection with the Project, as evidenced by a Requisition Certificate.

Interim financing shall be disbursed as follows:

(1) At the direction of the District, the Interim Lender shall disburse the proceeds of the Note by cashier's checks directly to the parties entitled thereto as set forth in the Requisition Certificate; or

(2) At the direction of the District, the Interim Lender shall deposit the proceeds of the Note in the Construction Account, in which event amounts of the District on deposit therein shall, until expended to the extent that same shall exceed the amount insured by the FDIC, be fully secured by a pledge of U.S. Obligations.

The aggregate of the principal amount of all Notes shall not exceed \$530,000. Each Note which is renewed or superseded shall be simultaneously cancelled by the Interim Lender and transmitted to the Treasurer. The rate of interest applicable to each Note shall not exceed a reasonable rate, which rate is subject to the approval of the RD.

The total authorized interim financing of \$530,000 shall be the maximum indebtedness which the District may owe at any one time to the Interim Lender for the purpose of providing temporary construction financing for the Project; provided, however, that the District may reduce the amount owed by the District to the Interim Lender from time to time as and when funds are available to the District, whether derived from the proceeds of the sale of the Current Bonds or otherwise, and may reborrow from the Interim Lender additional amounts in anticipation of the further receipt by the District of additional proceeds from the Current Bonds.

The District hereby covenants and agrees with the Interim Lender that upon the issuance and delivery of the Current Bonds, the District will apply the proceeds thereof, to whatever extent may be necessary, in payment of the principal amount of the Note, together with accrued interest thereon to the date of such payment; and the proceeds of the Current Bonds are hereby pledged therefor, and such pledge shall constitute a first and prior charge against said proceeds.

It is understood that the foregoing constitutes an alternative method of obtaining interim financing, and does not preclude the authorization and sale, by public advertisement or otherwise, of bond anticipation notes and/or grant anticipation notes to the most favorable bidder on the open market, by concurrent or subsequent proceedings of the District.

**B. Multiple Advances by RD.** In the event the Current Bonds are purchased by the RD, and in the event the District is unable to obtain a commitment for interim financing for

the Project from any Interim Lender at reasonable rates and terms, the Chairperson is authorized to request Multiple Advances of loan funds from the RD.

If the RD agrees to make Multiple Advances to the District pending the delivery of the Current Bonds, the Chairperson is hereby authorized to execute in the name and on behalf of the District any number of Notes. Each such Note, evidencing an advance of funds by the RD to the District, shall be in the form prescribed by the RD.

Each request for an advance from the RD shall be accompanied by a Requisition Certificate. The District will also furnish to the RD, prior to the receipt of each Multiple Advance, whatever additional documentation shall be requested by the RD, including an updated supplemental title opinion of Local Counsel and an updated supplemental preliminary legal opinion of Bond Counsel.

The proceeds of any Multiple Advances shall be either (i) disbursed directly to the parties entitled thereto for services and/or materials supplied in connection with the Project; or (ii) deposited into the Construction Account and disbursed in accordance with the provisions of Section 301 hereof, in which event amounts on deposit in such Construction Account shall, until expended, to the extent that same shall exceed the amount insured by the FDIC, be fully secured by a pledge of U.S. Obligations.

The proceeds of the Current Bonds are hereby pledged to the repayment of such Multiple Advances, and such pledge shall constitute a first and prior pledge against such proceeds. The District further pledges the revenues of the System to the repayment of said Multiple Advances, subject to the vested rights and priorities of the pledges securing the Outstanding Bonds.

**Section 303. Arbitrage Limitations on Investment of Proceeds.** The District covenants and certifies, in compliance with the Code, on the basis of known facts and reasonable expectations on the date of adoption of this Resolution, that it is not expected that the proceeds of the Current Bonds will be used in a manner which would cause the Current Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code. The District covenants to the Owners of the Current Bonds that (1) the District will make no use of the proceeds of said Current Bonds which, if such use had been reasonably expected on the date of issue of such Current Bonds, would have caused such Current Bonds to be "arbitrage bonds"; and (2) the District will comply with all of the requirements of the Code to whatever extent is necessary to assure that the Current Bonds shall not be treated as or constitute "arbitrage bonds" and that the interest on the Bonds shall be excludable from gross income for federal income tax purposes.

Prior to or at the time of delivery of the Current Bonds, the Chairperson and/or the Treasurer (who are jointly and severally charged with the responsibility for the issuance of the Current Bonds) are authorized to execute such certifications as shall be required by Bond Counsel, setting out all known and contemplated facts concerning the anticipated construction, expenditures and investments, including the execution of necessary and/or desirable certifications of the type

contemplated by Section 148 of the Code in order to assure that interest on the Current Bonds shall be excludable from gross income for federal income tax purposes and that the Current Bonds will not be treated as "arbitrage bonds".

#### ARTICLE 4. FLOW OF FUNDS.

**Section 401. Funds.** There was created and established in the 2002 Bond Resolution the following funds and accounts:

- (a) Southern Water and Sewer District Waterworks Revenue Fund
- (b) Southern Water and Sewer District Waterworks Sinking Fund of 2002
- (c) Southern Water and Sewer District Waterworks Depreciation Reserve Fund
- (d) Southern Water and Sewer District Waterworks Operation and Maintenance Fund

All of the Funds shall be maintained with the Depository Bank so long as any Bonds remain outstanding, subject to the right of the District to appoint a different depository bank.

**Section 402. Flow of Funds.** All proceedings preliminary to and in connection with the issuance of the Outstanding Bonds, including provisions made for (i) the receipt, custody and application of the proceeds of the Outstanding Bonds; (ii) the operation of the System on a revenue-producing basis; (iii) the segregation, allocation and custody of the revenues derived from the operation of the System; (iv) the enforcement and payment of the Outstanding Bonds and (v) the depreciation of the System; and all other covenants for the benefit of Bondowners set out in the Prior Bond Resolution, are hereby ratified and confirmed and shall continue in force and inure to the security and benefit of the Outstanding Bonds, the same as if such provisions and proceedings were set out in full herein; provided, further, that after the issuance of the Current Bonds, the income and revenues of the System shall be collected, segregated, accounted for and distributed as follows:

**A. Revenue Fund.** The District covenants and agrees that it will continue to deposit in the Revenue Fund, promptly as received from time to time, all revenues of the System, as same may be extended and improved from time to time. The moneys in the Revenue Fund shall continue to be used, disbursed and applied by the District only for the purpose and in the manner and order of priorities specified in the Prior Bond Resolution, as hereinafter modified by this Resolution, all as permitted by the Act, and in accordance with previous contractual commitments.

**B. Prior Sinking Fund.** There shall be transferred from the Revenue Fund and deposited into the Prior Sinking Fund for payment of interest on and principal of the KIA Loans and the Line of Credit.

Said Prior Sinking Fund shall be used solely and only and is hereby pledged for the purpose of paying the principal of and interest on the KIA Loans and the Line of Credit.

**C. Current Sinking Fund.** At or after the time that the Current Bonds have been delivered, there shall be transferred from the Construction Account into the Current Sinking Fund an amount sufficient (currently estimated at \$7,000) to provide for capitalized interest during the construction of the Project, if and to the extent not theretofore expended in paying interest on

interim financing and if and to the extent then needed to pay interest during the remaining period of construction of the Project.

After the monthly transfers required in the preceding paragraphs have been paid from the Revenue Fund, there shall next be transferred monthly from said Revenue Fund and deposited into the Current Sinking Fund on or before the 20th day of each month, for payment of interest on and principal of the Current Bonds and the Prior RD Bonds, a sum equal to the total of the following:

- (1) An amount equal to one-sixth (1/6) of the next succeeding six-month interest payment to become due on the Current Bonds and the Prior RD Bonds then outstanding, plus
- (2) A sum equal to one-twelfth (1/12) of the principal of any Current Bonds and Prior RD Bonds maturing on the next succeeding January 1.

The Current Sinking Fund is hereby pledged for the payment of the interest and the principal of the Current Bonds and the Prior RD Bonds, but subject to the vested rights and priorities of the KIA Loans and the Line of Credit.

**D. Depreciation Fund.** Pursuant to the provisions of the Prior Bond RD Resolution which requires that an adjustment be made in the Depreciation Fund upon the issuance of bonds ranking on a parity with the Prior RD Bonds, it is hereby determined that upon the issuance of the Current Bonds, and upon completion of the Project, as certified by the Engineers and by RD, there shall next be transferred from the Revenue Fund the sum of at least \$190.00 each month which shall be deposited into the Depreciation Fund until there is accumulated in such Depreciation Fund the sum of at least \$22,800, which amount shall be maintained, and when necessary, restored to said sum of \$22,800, so long as any of the Current Bonds are outstanding and unpaid. These deposits are in addition to the deposits required by the Prior Bond Resolution.

As further security for the Bondowners and for the benefit of the District, it has been and is hereby provided that in addition to the monthly transfers required to be made from the Revenue Fund into the Depreciation Fund, there shall be deposited into said Depreciation Fund all proceeds of connection fees collected from potential customers (except the amounts necessary to pay the actual costs and service connections applicable to said potential customers) to aid in the financing of the cost of future extensions, additions and improvements to the System, plus the proceeds of any property damage insurance (not otherwise used to replace damaged or destroyed property); and any such amounts or proceeds so deposited shall be used solely and only for the purposes intended.

Moneys in the Depreciation Fund may be withdrawn and used by the District, upon appropriate certification of the Commission, for the purpose of paying the cost of unusual or extraordinary maintenance, repairs, renewals and replacements not included in the annual budget of current expenses and/or of paying the costs of constructing future extensions, additions and

improvements to the System which will either enhance its revenue-producing capacity or will provide a higher degree of service, and when necessary, for the purpose of making payments of principal and interest on the Bonds if the amount on deposit in the Sinking Fund is not sufficient to make such payments.

**E. Operation and Maintenance Fund** There shall next be transferred monthly from the Revenue Fund and deposited into said Operation and Maintenance Fund, sums sufficient to meet the current expenses of operating and maintaining the System. The balance maintained in said Operation and Maintenance Fund shall not be in excess of the amount required to cover anticipated System expenditures for a two-month period pursuant to the District's annual budget.

**F. Monthly Principal and Interest Payments if Requested by RD.** So long as any of the Bonds are held or insured by RD, the District shall, if requested by RD, make the payments required by this Section 402, in monthly installments to RD or to the insured Owners of the Bonds.

**G. Surplus Funds.** Subject to the provisions for the disposition of the income and revenues of the System as set forth hereinabove, which provisions are cumulative, and after paying or providing for the payment of debt service on any subordinate obligations, there shall be transferred, within sixty days after the end of each fiscal year, the balance of excess funds in the Revenue Fund on such date, to the Depreciation Fund for application in accordance with the terms of this Resolution or to the Sinking Fund to be applied to the maximum extent feasible, to the prompt purchase or redemption of Outstanding Bonds.

**H. Investment and Miscellaneous Provisions.** All monies in the Sinking Fund and the Depreciation Fund shall be deposited in the Depository Bank, or such portion thereof as is designated by the Commission. All monies in the Sinking Fund and the Depreciation Fund shall be invested for the benefit of such respective Funds in Certificates of Time Deposit or savings accounts of the Depository Bank or in U.S. Obligations which may be converted readily into cash, having a maturity date prior to the date when the sums invested will be needed for the purposes for which such funds may be expended, provided that to the extent that any amount of the District on deposit in the Depository Bank shall cause the total deposits of the District in said Depository Bank to exceed the amount insured by the FDIC, such excess amount shall be continuously secured by a valid pledge of U.S. Obligations, having an equivalent market value, in conformity with Section 66.480 of the Kentucky Revised Statutes.

If the RD has purchased any of the Outstanding Bonds, investments in Certificates of Deposit may be made only if a separate RD Form 402-4 Agreement is executed. Any such investments will be a part of the respective Funds from which the proceeds invested are derived, and income from such investments will be credited to such respective Funds. All investments of funds derived from proceeds of the Outstanding Bonds shall be subject to the applicable limitations set out in Section 303 hereof.

All payments into the Funds shall be made on or before the twentieth (20th) day of each month, except that when the twentieth (20th) day of any month shall be a Saturday, Sunday or a legal holiday, then such payment shall be made on the next succeeding business day.

All monies held in any of the Funds shall be kept apart from all other District funds and shall be deposited in the Depository Bank, and all such deposits which cause the aggregate of all deposits of the District therein to be in excess of the amount secured by FDIC, shall (unless invested as herein authorized) be secured by a surety bond or bonds or by a pledge of U.S. Obligations, having a market value equivalent to such deposit.

The Treasurer shall keep appropriate records as to payment of principal and interest installments and as to payment of principal of and interest on any Bonds.

**Section 403. Current Bonds on a Parity with Prior RD Bonds, Subject to Priority of KIA Loans and the Line of Credit.** It is hereby certified and declared that prior to the issuance of any of the Current Bonds, there will have been procured and filed with the District (i) a letter from RD to the effect that RD agrees to the issuance of the Current Bonds ranking on a parity as to security and source of payment with the Prior RD Bonds, all of which are owned by RD, together with (ii) a certification signed by RD to the effect that a legend has been typed, stamped or otherwise affixed on each of the Prior RD Bonds held by RD, evidencing the agreement of RD as the then Owner of the Prior RD Bonds, to the issuance of the Current Bonds so as to rank on a parity with the Prior RD Bonds, such legend to be in substantially the following form:

The holder of this Bond has consented to the issuance of \$530,000 of Southern Water and Sewer District Waterworks Revenue Bonds, Series 2009 ranking on a parity as to security and source of payment with this Bond.

Accordingly, it is hereby found and declared that the Current Bonds shall rank and be payable on a parity with said outstanding Prior RD Bonds from the gross income and revenues of the System, subject to the priority of the KIA Loans and the Line of Credit.

## ARTICLE 5. COVENANTS OF DISTRICT

**Section 501. Rates and Charges.** The District shall charge such rates and charges for all services and facilities rendered by the System, which rates and charges shall be reasonable, taking into account and consideration the cost and value of the System, the cost of maintaining, repairing and operating same and the amounts necessary for the payment of principal of and interest on Outstanding Bonds against the System. The District shall charge such rates and charges as shall be adequate to meet the requirements of Articles 4 and 5 hereof.

The District covenants that it will not reduce the rates and charges for the services rendered by the System without first filing with the Secretary a certification of an Independent Consulting Engineer that the annual net revenues (defined as gross revenues less operating expenses) of the then existing System for the fiscal year preceding the year in which such reduction is proposed, as such annual net revenues are adjusted, after taking into account the projected reduction in annual net revenues anticipated to result from any such proposed rate decrease, are equal to not less than 120% of the average annual debt service requirements for principal and interest on all of the then Outstanding Bonds payable from the revenues of the System, calculated in the manner specified in Section 603 hereof.

**Section 502. Books and Accounts; Audit.** The District shall maintain proper records and accounts relating to the operation of the System and the District's financial affairs; and the Bondowners, or their authorized representatives, shall have the right at all reasonable times to inspect the facilities of the System and all records, accounts and data relating thereto. An annual audit shall be made of the books and accounts pertinent to the System by a Certified Public Accountant licensed in Kentucky. No later than ninety (90) days after the close of each Fiscal Year, copies of such audit reports certified by such Certified Public Accountant shall be promptly mailed to the RD without request, so long as the Government is the Owner of any of the Bonds, and to any Bondowner that may have made a written request for same.

Monthly operating reports shall be furnished to the RD and to any Bondowner requesting same, during the first two (2) years of operation after completion of the Project, and whenever and so long as the District is delinquent in any of the covenants set out in the Prior Bond Resolution or this Current Bond Resolution. Thereafter, quarterly operating reports shall be furnished at all other times to the RD and to any Bondowner requesting the same.

**Section 503. System to Continue to be Operated on Fiscal Year Basis; Annual Budget.** While any of the Bonds are outstanding and unpaid, and to the extent permitted by law, the System shall continue to be operated and maintained on a Fiscal Year basis.

Not later than sixty (60) days before the end of each Fiscal Year, the District agrees to cause to be prepared a proposed annual budget of operating expenses (the "Proposed Budget") of the System for the then ensuing Fiscal Year, itemized on the basis of monthly requirements. A copy of said Proposed Budget shall be mailed to any Bondowner who may request in writing a copy of such

Proposed Budget and to the RD without request, if the Government is the Owner of any of the Bonds.

For the purpose of the Proposed Budget, operating expenses shall include all reasonable and necessary expenses of operating, repairing, maintaining and insuring the System, but shall exclude depreciation and debt service payments. The District covenants that the operating expenses incurred in any year will not exceed the reasonable and necessary amounts therefor, and that the District will not expend any amount or incur any obligation for operation or maintenance and repair in excess of the amounts provided for operating expenses in the annual budget, except upon resolution by the District that such expenses are necessary to operate and maintain the System.

Not later than sixty (60) days before the end of each Fiscal Year, the District shall prepare an estimate of gross revenues to be derived from the operation of the System for said Fiscal Year, and, to the extent that said gross revenues are insufficient (a) to pay debt service requirements on all Outstanding Bonds during the ensuing Fiscal Year, (b) to accumulate and maintain all required reserves enumerated herein and (c) to pay operating expenses, the District shall revise the rates and charges sufficiently to provide the funds so required.

If the Owners of at least 50% of the principal amount of the Outstanding Bonds, or the Government so long as it is the Owner of any of said Outstanding Bonds, so request, the Commission shall hold an open hearing not later than thirty (30) days before the beginning of the ensuing Fiscal Year, at which time any Bondowner may appear by agent or attorney and may file written objections to such proposed budget. Notice of the time and place of such hearing shall be mailed at least fifteen (15) days prior to the hearing to each registered Bondowner and to the Government.

The District covenants that annually before the first day of the Fiscal Year, the annual budget for the upcoming Fiscal Year will be adopted substantially in accordance with the Proposed Budget, and that no expenditures for operation and maintenance expenses of the System in excess of the budgeted amount shall be made during such Fiscal Year unless directed by said District by a specific resolution duly adopted.

**Section 504. General Covenants.** The District, through its Commission, hereby covenants and agrees with the Owners of the Bonds that:

- (1) It will faithfully and punctually perform all duties with reference to the System required by the Constitution and laws of the Commonwealth of Kentucky;
- (2) It will make and collect reasonable and sufficient rates and charges for services and facilities rendered by the System;
- (3) It will segregate the revenues and income from the System and make application thereof consistent with and as provided by this Resolution;

- (4) Unless the written consent of the Owners of a majority of the principal amount of the Outstanding Bonds has been obtained, the District agrees not to sell, lease, mortgage or in any manner dispose of any integral part of the System, including any and all appurtenances thereto and extensions, additions and improvements that may be made thereto, until all of the Outstanding Bonds shall have been paid or provided for in full, as provided herein; subject to the provisions of Section 607 hereof;
- (5) It will maintain in good condition and continuously operate the System and appurtenances thereto and will charge such rates and charges for the services rendered thereby so that the gross income and revenues will be sufficient at all times (i) to pay the interest on and principal of the Outstanding Bonds as same become due; (ii) to pay the cost of operating and maintaining the System; and (iii) to provide for an adequate depreciation account; and
- (6) It will carry and maintain insurance on properties of the System subject to loss or damage in amounts and against hazards substantially in accordance with the practices of other districts, cities or corporations which own and maintain waterworks systems under similar conditions; and so long as the Government is the Owner of any of the Outstanding Bonds, the Government will be listed as co-beneficiary on any such policy; and the District shall further comply with the insurance requirements of Section 506 hereof (involving insurance on motors, tanks and structures).

**Section 505. Other Covenants Applicable So Long as RD Owns Any Bonds.** So long as the RD shall own any of the Bonds, the District shall comply with such RD regulations, requirements and requests as shall be made by the RD, including the furnishing of operating and other financial statements, in such form and substance and for such periods as may be requested by the RD, the carrying of insurance of such types and in such amounts as the RD may specify, with insurance carriers acceptable to the RD and compliance with all of the terms and conditions of the Loan Resolution (RD Form 1780-27) adopted and executed by the District, which is hereby authorized, approved, ratified and confirmed.

**Section 506. Insurance on Motors, Tanks and Structures.** The District shall (a) immediately after the adoption of this Resolution and (b) at the time of final acceptance of the Project, insure all electric motors, elevated water storage tanks, pumping stations and major structures of the System in an amount recommended by the Engineers and approved by the RD, so long as the RD is the Owner of any of the Bonds, for the hazards usually covered in such area, and shall similarly insure same in an amount recommended by the Engineers, without the necessity of approval by the RD if and whenever the District has Outstanding Bonds against the System and none of such Outstanding Bonds are owned by the RD.

## **ARTICLE 6. INFERIOR BONDS AND PARITY BONDS**

**Section 601. Inferior Bonds.** Except as hereinafter provided below in this Article, the District shall not, so long as any Bonds are outstanding, issue any additional bonds payable from the revenues of the System unless the security and/or pledge of the revenues to secure such additional bonds are made inferior and subordinate in all respects to the security of the Bonds.

The District expressly reserves the right at any time to issue its bonds or other obligations payable from the revenues of the System and not ranking on a parity basis with the Current Bonds, without any proof of previous earnings or net revenues, provided that the consent of the RD must be obtained prior to the issuance of any inferior bonds so long as the RD owns any of the Bonds, and provided further that, after the initial completion of the Project, such inferior bonds may be issued only for the purpose of providing for future extensions, additions and improvements to the System, and only in express recognition of the priorities, liens and rights created and existing for the security, source of payment and protection of the Outstanding Bonds; provided further, that nothing in this Section is intended to restrict or shall be construed as a restriction upon, the ordinary refunding all or a portion of the Outstanding Bonds.

**Section 602. Parity Bonds to Complete the Project.** The District hereby certifies, covenants and agrees that in the event that the cost of completion of the construction of the Project shall exceed the moneys available to the District from any and all sources, the District shall have the right, if necessary, to provide for such excess, and only such excess, through the issuance of Parity Bonds, provided the District has obtained a certification from the Engineers to the effect that it is necessary to issue the desired amount of Parity Bonds in order to enable the District to pay the cost (not otherwise provided) of the completion of the Project, and provided the District has complied with the provisions of Section 603 below or has obtained:

- (a) the consent of the RD if the Government is as the Owner of the Bonds of 2002 at that time or the consent of any other Owners of the Bonds of 2002, and
- (b) the consent of (1) the RD if the Government is the purchaser of the Current Bonds; or (2) the Owners of at least 75% of the principal amount of the Current Bonds outstanding, if the Current Bonds have been issued, sold and delivered and are held by Owners other than the Government.

**Section 603. Parity Bonds to Finance Future Improvements.** The District reserved the right and privilege, and does hereby reserve the right and privilege, of issuing additional Parity Bonds, but only under the conditions specified in the Current Bond Resolution, which conditions are as follows:

The District further reserves the right to add new waterworks facilities and/or to finance future extensions, additions and improvements to the System by the issuance of one or more additional

series of Parity Bonds to be secured by a parity lien on and ratably payable on a parity with the Current Bonds, from the revenues of the System, provided:

(a) The facilities to be constructed from the proceeds of the additional Parity Bonds are made a part of the System and their revenues are pledged as additional security for the additional Parity Bonds and for the Outstanding Bonds.

(b) The District is in compliance with all covenants and undertakings in connection with all of the Outstanding Bonds.

(c) The annual net revenues (defined as gross revenues less operating expenses), of the then existing System for the Fiscal Year preceding the year in which such Parity Bonds are to be issued, adjusted as hereinafter provided, shall be certified by an independent Certified Public Accountant to be equal at least one hundred twenty percent (120%) of the average annual debt service requirements for principal and interest on all Outstanding Bonds payable from the revenues of the System, plus the anticipated debt service requirements of any Parity Bonds then proposed to be issued. The calculation of average annual debt service requirements of principal and interest on the additional Parity Bonds to be issued shall, regardless of whether such additional Parity Bonds are to be serial or term bonds, be determined on the basis of the principal of and interest on such Parity Bonds being payable in approximately equal annual installments.

(d) The annual net revenues referred to above may be adjusted for the purpose of the foregoing computations to reflect:

(1) any revisions in the System's schedule of rates or charges being imposed on or before the time of the issuance of any such additional Parity Bonds, and

(2) any increase in the annual net revenues to be realized from the proposed extensions, additions and improvements being financed (in whole or in part) by such additional Parity Bonds;

provided all such adjustments shall be based upon and included in a certification of an Independent Consulting Engineer.

(e) Compliance with Section 603(a) through (d) shall not be necessary for the issuance of Parity Bonds if the District has obtained (1) the written consent of the RD for the issuance of such Parity Bonds, if the Government is the Owner of any Bonds at the time of issuance of such Parity Bonds; and (2) the written consent of the Owners of all of the then outstanding Prior Bonds, and no other prerequisite need be complied with by the District in order to issue Parity Bonds.

**Section 604. Covenants to be Complied with at Time of Issuance of Parity Bonds.**

The District hereby covenants and agrees that in the event any Parity Bonds are issued, the District shall:

(a) Adjust the monthly amount to be deposited into the Sinking Fund on the same basis as that prescribed in the provisions establishing such Sinking Fund, to reflect the average annual debt service requirements of the Parity Bonds;

(b) Adjust the minimum annual amount to be deposited monthly into the Depreciation Fund on the same basis as that prescribed in the provisions establishing such Depreciation Fund, taking into account the future debt service requirements of all Bonds which will then be outstanding against the System; and

(c) Make such Parity Bonds payable as to principal on January 1 of each year in which principal falls due and payable as to interest on January 1 and July 1 of each year until the final maturity of such Parity Bonds.

**Section 605. Prepayment Provisions Applicable to Parity Bonds.** If, in connection with any subsequently issued series of Parity Bonds, it is provided that excess revenues in the Revenue Fund shall be used to prepay Outstanding Bonds in advance of scheduled maturity, or if the District at its option undertakes to prepay Outstanding Bonds in advance of scheduled maturity, it is agreed and understood, for so long as the Government owns any of the Outstanding Bonds, that no such prepayment will be effected without the approval of the RD.

**Section 606. Consent of the RD Regarding Future Bonds.** Notwithstanding any other provisions of this Resolution, the District agrees that so long as the Government owns any Outstanding Bonds against and/or payable from the revenues of the System, the District will not issue any future bonds, notes or other obligations against, secured by or payable from the revenues of the System without the written consent of the RD.

**Section 607. Priority of Lien; Permissible Disposition of Surplus or Obsolete Facilities.** The District covenants and agrees that so long as any of the Prior Bonds and/or Bonds are outstanding, the District will not sell or otherwise dispose of any of the facilities of the System, or any part thereof, and, except as provided above, the District will not create or permit to be created any charge or lien on the revenues thereof ranking equal or prior to the charge or lien of the Outstanding Bonds. Notwithstanding the foregoing, the District may at any time permanently abandon the use of, or sell at fair market value, any part of the facilities of the System, provided that:

- (a) The District is in compliance with all covenants and undertakings in connection with all of the Outstanding Bonds, and the required reserves for such Outstanding Bonds will have been accumulated;

- (b) The District will, in the event of any such sale, apply the proceeds to either (1) redemption of Outstanding Bonds in accordance with the provisions governing prepayment of bonds in advance of maturity; or (2) replacement of the facility so disposed of by another facility, the revenues of which shall be incorporated into the System, as hereinbefore provided;
- (c) The District certifies, in good faith, prior to any abandonment of use, that the facilities to be abandoned are no longer economically feasible of producing net revenues; and
- (d) The District certifies, in good faith, that the estimated net revenues of the remaining facilities of the System for the then next succeeding Fiscal Year, plus the estimated net revenues of the facilities, if any, to be added to the System, comply with the earnings requirements hereinbefore provided in the provisions and conditions governing the issuance of Parity Bonds.

Notwithstanding any other provisions hereof, so long as any Bonds are held by the Government, the District shall not dispose of its title to the System or to any part thereof, without first obtaining the written consent of the RD.

## ARTICLE 7. DEFAULT AND CONSEQUENCES

**Section 701. Events of Default.** The following items shall constitute an Event of Default on the part of the District:

- (a) The failure to pay principal of the Bonds as and when same shall become due and payable, either at maturity or by proceedings for redemption.
- (b) The failure to pay any installment of interest on the Bonds when the same shall become due and payable or, if any or all of the Outstanding Bonds are owned by the RD, within thirty (30) days thereafter.
- (c) The default by the District in the due or punctual performance of any of the covenants, conditions, agreements and provisions contained in the Bonds, the Prior Bond Resolution or in this Resolution.
- (d) The failure to promptly repair, replace or reconstruct facilities of the System that have been damaged and/or destroyed.
- (e) The entering of any order or decree with the consent or the acquiescence of the District, appointing a receiver of all or any part of the System or any revenues thereof; or if such order or decree shall be entered without the acquiescence or consent of the District, its failure to have the order vacated, discharged or stayed on appeal within sixth (60) days after entry.

**Section 702. Consequences of Event of Default.** Any Owner of the Current Bonds may enforce and compel the performance of all duties and obligations of the District set forth herein. Upon the occurrence of an Event of Default, then upon the filing of a suit by any Owner of said the Current Bonds, any court having jurisdiction of the action may appoint a receiver to administer said System on behalf of the District with power to charge and collect rates sufficient to provide for the payment of operating and maintenance expenses and for the payment of principal of and interest on the Outstanding Bonds and to provide and apply the income and revenues in conformity with this Resolution and with the laws of the Commonwealth of Kentucky.

The District hereby agrees to transfer to any bona fide receiver or other subsequent operator of the System, pursuant to any valid court order in a proceeding brought to enforce collection or payment of the District's obligations, all contracts and other rights of the District pertaining to the System, conditionally, for such time only as such receiver or operator shall operate by authority of the court. Upon the occurrence of an Event of Default, the Owner of any of the Outstanding Bonds may require the governing body of the District by appropriate order to raise the rates a reasonable amount consistent with the requirements of this Resolution.

**ARTICLE 8. CONTRACTUAL PROVISIONS; MISCELLANEOUS PROVISIONS.**

**Section 801. Resolution Contractual with Bondowners**The provisions of this Resolution constitute a contract between the District and its Commission and the Owners of the Current Bonds as may be outstanding from time to time; and after the issuance of any of said Current Bonds, no change, alteration or variation of any kind of the provisions of this Resolution shall be made in any manner which will affect an Owner's rights except as herein provided or except with the written consent of all Bondowners until such time as all of the Current Bonds and the interest thereon have been paid in full or fully provided for; provided that the Commission may adopt any resolution for any purpose not inconsistent with the terms of this Resolution and which shall not impair the security of the Owners of the Current Bonds and/or for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective or inconsistent provisions contained herein or in any resolution or other proceedings pertaining hereto.

It is further agreed that the Owners of 75% in principal amount of the Current Bonds at any time outstanding shall have the right to consent to and approve the adoption of resolutions or other proceedings, modifying or amending any of the terms or provisions contained in this Resolution, subject to the conditions that (a) this Resolution shall not be so modified in any manner that may adversely affect the rights of the Owners of any of the Prior Bonds, nor in any manner that may adversely affect the rights of any certain Owners of the Outstanding Bonds without similarly affecting the rights of all Owners of such Outstanding Bonds, or to reduce the percentage of the number of Owners whose consent is required to effect a further modification and (b) no such change may be effected without the consent of the RD so long as the RD owns any of the Outstanding Bonds.

**Section 802. All Current Bonds are Equal.**The Current Bonds authorized herein shall not be entitled to priority one over the other in the application of the income and revenues of the System, or with respect to the security for their payment, regardless of the time or times of their issuance, it being the intention that there shall be no priority among any of the Current Bonds regardless of the fact that they may be actually issued and delivered at different times.

**Section 803. District Obligated to Refund Current Bonds Owned by Government Whenever Feasible; Defeasement Prohibited.** So long as the Government is the Owner of any of the Current Bonds, if it appears to the Government that the District is able to refund such Current Bonds in whole or in part, by obtaining a loan for such purposes from responsible cooperative or private credit sources, or to sell bonds of the District in the open market, at reasonable rates and terms, for loans or bond issues for similar purposes and periods of time, the District will, upon request of the Government, obtain such loan and/or issue such bonds in sufficient amount to repay the Government and will take all such action as may be required in connection therewith.

In addition, so long as the Government is the Owner of any of the Current Bonds, the District shall not issue any bonds or other obligations for the purpose of defeasing or otherwise terminating

the lien of the Current Bonds without immediately prepaying all of the then outstanding Current Bonds.

**Section 804. Authorization, Ratification and Confirmation of Approval and Execution of Various Documents.** The Commission hereby authorizes, approves, ratifies and confirms the previous action of the officers of the District in approving and executing various documents related to the financing of the Project, including the following:

- (a) Legal Services Agreement with Bond Counsel.
- (b) Legal Services Agreement with Local Counsel.
- (c) Letter of Intent to Meet Conditions of RD Letter of Conditions (RD Form 1942-46).
- (d) Loan Resolution (RD Form 1780-27).
- (e) Agreement for Engineering Services with the Engineers.

**Section 805. Authorization of Condemnation to Acquire Easements and/or Sites.** In the event that (a) any necessary deeds of easement to allow construction of the Project over the property of any property owner or (b) any necessary deed to the necessary site of any waterworks facility of the Project shall not be obtained through negotiation within ten (10) days after the date of adoption of this Resolution and in the event that (1) such waterworks lines cannot be located within the right-of-way of the State and/or County road involved; and/or (2) such waterworks facilities cannot be located on a site already owned by the District, Local Counsel is hereby authorized and directed to file condemnation actions to obtain such necessary rights-of-way and/or sites forthwith, without further authorization or direction from the District or the Commission. Local Counsel is further directed to follow the same condemnation procedure in the event that it becomes necessary, through change orders, line extensions and/or errors in the location of property lines and/or property owners, to obtain additional easements, rights-of-way and/or sites for completion of the Project and whenever the necessary deed is not obtained by negotiation at least ten (10) days prior to the date on which construction is contemplated in the respective easement, right-of-way and/or site.

The District further approves the payment from the funds available therefor allocated to the costs of the Project to pay any judgment award, or compromise, determined by Local Counsel with the acquiescence of the Commission, toward the costs of such easements, rights-of-way and/or sites; provided, in each instance, that the payment of such funds to satisfy any judgment, award or compromise must first be approved by the RD; and the Commission further determines that if and to whatever extent the funds available from the proceeds of the financing contemplated by this Resolution shall be inadequate to pay any judgment, award or compromise amount for such

easements, rights-of-way and/or sites, or if the District is unable to obtain the approval of the RD for any such payment, the Commission shall take all reasonably necessary actions, within the powers and authority of the Commission, to make such additional amount available from all other available District resources.

## ARTICLE 9. SALE OF CURRENT BONDS

**Section 901. Sale of Current Bonds.** The Current Bonds shall be offered publicly for sale upon the basis of sealed, competitive bids at such time as the Commission shall designate.

A suggested form of "Notice of Bond Sale", a suggested form of "Official Notice of Sale of Bonds" and a suggested form of "Bid Form", having been prepared in advance by Bond Counsel, and all of such documents having been found to be in satisfactory form, a copy of each is hereby ordered to be filed in the records of the Secretary with the Minutes of the meeting at which this Resolution is adopted. The Notice of Bond Sale shall be signed by the Secretary and may be used for the purpose of publishing notice of the sale of the Current Bonds. Copies of such documents shall be furnished to any interested parties who may request same.

In the event that there is no bid or that all bids are rejected, the District may readvertise the sale pursuant to this Resolution.

**Section 902. Adjustment in Maturities, Prepayment Provisions and Other Dates, with Consent of Purchaser if Delivery is Delayed.** In the event that delivery of the Current Bonds authorized herein is delayed for any reason and the District, with the consent of the Purchaser of the Current Bonds, determines it is in the District's best interest to change the maturities, the applicable prepayment date or any other dates, the District may adjust the same by a Resolution of the Commission approving the adjustments.

## ARTICLE 10. CONCLUDING PROVISIONS

**Section 1001. Covenant of District to Take All Necessary Action To Assure Compliance with the Code.** In order to assure the Owners of the Current Bonds that such Current Bonds shall continue to be legal and that interest thereon will continue to be excludable from gross income for federal income tax purposes and exempt from all Kentucky income taxation, the District covenants to and with the Owners of the Current Bonds to take the following action:

(a) The District will (1) take all actions necessary to comply with the provisions of the Code necessary to assure that interest on the Current Bonds will be excludable from gross income for federal income tax purposes; (2) will take no actions which will violate any of the provisions of the Code; and (3) not use the proceeds of the Current Bonds for any purpose which will cause interest on the Current Bonds or on interim financing obligations, including, but not limited to the Note, issued pursuant to Section 302 hereof to become includable in gross income for federal income tax purposes.

(b) The District hereby certifies that it does not reasonably anticipate that the total principal amount of "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code which the District, or any subordinate entity of the District, will issue during the calendar year during which the Current Bonds are issued, will exceed \$10,000,000; and therefore the District hereby designates the Current Bonds and all interim financing obligations, including, but not limited to the Note, issued pursuant to Section 302 hereof as "qualified tax-exempt obligations".

(c) The District further certifies that the Current Bonds and any and all interim financing obligations of the District are not "private activity bonds" within the meaning of the Code.

(d) The District covenants and agrees to comply with the rebate requirements on certain excess earnings imposed by Section 148 of the Code, and in the event it is determined by the District, upon the advice of Bond Counsel, that the Construction Account, or any other Fund established hereunder, is subject to said rebate requirements and does in fact generate earnings from "non-purpose investments" in excess of the amount which said investments would have earned at a rate equal to the "yield" on the Current Bonds, plus any income attributable to such excess, there shall be established a separate and special fund with the Depository Bank, which fund shall be designated the "Excess Earnings and Rebate Fund", which shall be utilized for the collection and payment of any excess generated from investments and the remittance thereof to the United States of America on or before the anniversary of the fifth (5th) year from the date of the Current Bonds, and once every five (5) years thereafter until the final retirement of the Current Bonds; the last installment, to the extent required, to be made no later than sixty (60) days following the date on which funds sufficient for the complete retirement of the Current Bonds are deposited with any escrow agent. The District further covenants to file any and all reports, if any, as may be required to be filed with

the Government with regard to the liability or non-liability of the District as to any such rebate requirements and to maintain records in regard thereto for the period of time required by applicable Treasury regulations.

**Section 1002. Severability Clause.** If any section, paragraph, clause or provision of this Resolution shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution, which shall continue in full force and effect.

**Section 1003. All Provisions in Conflict Repealed.** All motions, resolutions and orders, or parts thereof, in conflict with the provisions of this Resolution, are to the extent of such conflict hereby repealed. It is hereby specifically ordered and provided that any proceedings heretofore taken for the issuance of other bonds of the District payable or secured in any manner by all or any part of the income and revenues of said System or any part thereof, and which have not been heretofore issued and delivered, are hereby revoked and rescinded, and none of such other bonds shall be issued and delivered. The District covenants to correct by appropriate proceedings any required procedure previously taken invalidly.

**Section 1004. Effective Immediately Upon Adoption** This Resolution shall take effect and be effective immediately upon its adoption.

WATERWORKS REVENUE BONDS,  
SERIES 2009

No. R- \_\_\_\_\_ Interest Rate: \_\_\_\_\_ % \$ \_\_\_\_\_

KNOW ALL PERSONS BY THESE PRESENTS:

That the Southern Water and Sewer District (the "District"), acting by and through its Board of Commissioners (the "Commission"), a public body corporate in Floyd and Knott Counties, Kentucky, for value received, hereby promises to pay to

\_\_\_\_\_ the registered owner hereof, or to its registered assigns, solely from the fund hereinafter identified, the sum of

\_\_\_\_\_ DOLLARS (\$ \_\_\_\_\_ ),

on the first day of January, in years and installments as follows:

<u>Year</u>	<u>Principal</u>	<u>Year</u>	<u>Principal</u>	<u>Year</u>	<u>Principal</u>
-------------	------------------	-------------	------------------	-------------	------------------

[Here the printer of the Current Bond will print the maturities of the Current Bonds purchased by the registered Owner]

and in like manner, solely from said fund, to pay interest on the balance of said principal sum from time to time remaining unpaid, at the Interest Rate specified above, semiannually on the first days of January and July in each year, beginning with the first January or July after the date of this Bond, until said sum is paid, except as the provisions hereinafter set forth with respect to prepayment may be and become applicable hereto, both principal and interest being payable, without deduction for exchange or collection charges, in lawful money of the United States of America, at the address of the registered owner shown on the registration book of the District.

This Bond is issued by the District under and in full compliance with the Constitution and Statutes of the Commonwealth of Kentucky, including Chapters 58 and 74 of the Kentucky Revised Statutes (collectively the "Act"), and pursuant to a duly adopted Bond Resolution of the District authorizing same (the "Current Bond Resolution"), to which Current Bond Resolution reference is hereby made for a description of the nature and extent of the security thereby created, the rights and limitations of rights of the registered owner of this Bond, and the rights, obligations and duties of the District, for the purpose of financing the cost (not otherwise provided) of the construction of extensions, additions and improvements to the existing waterworks system of the District (said existing waterworks system, together with said extensions, additions and improvements, being hereinafter referred to as the "System").

This Bond is issued on a parity with the outstanding (i) Southern Water and Sewer District Waterworks Revenue Bonds, Series 2002, dated December 17, 2002, (the "2002 Bonds"), authorized by a resolution adopted by the District on May 20, 2002 (the "2002 Bond Resolution"); (ii) Southern Water and Sewer District Waterworks Revenue Bonds, Series 2005, dated November 3, 2005, (the "2005 Bonds"), authorized by a resolution adopted by the District on October 24, 2005 (the "2005 Bond Resolution"); and (iii) Southern Water and Sewer District Waterworks Revenue Bonds, Series 2007, dated May 30, 2007, (the "2007 Bonds"), authorized by a resolution adopted by the District on May 24, 2007 (the "2007 Bond Resolution") [hereinafter, the 2002 Bonds, 2005 Bonds and 2007 Bonds are collectively referred to as the "Prior RD Bonds" and the 2002 Bond Resolution, 2005 Bond Resolution and 2007 Bond Resolution are collectively referred to as the "Prior RD Bond Resolution"], subject to the vested rights and priorities in favor of the owners of the outstanding: (i) Kentucky Infrastructure Authority Loan, dated March 15, 1993 (the "1993 KIA Loan"); (ii) Kentucky Infrastructure Authority Loan, dated February 21, 1995 (the "1995 KIA Loan"); (iii) Kentucky Infrastructure Authority Loan, dated January 1, 2005 (the "2005 KIA Loan"); and (iv) First Guaranty Bank line of credit to the District, dated May 2, 2009 (the "Line of Credit") [hereinafter the 1993 KIA Loan, 1995 KIA Loan and 2005 KIA Loan are collectively referred to as the "KIA Loans"]. Accordingly, this Bond, the Prior RD Bonds and any bonds ranking on a parity therewith, are payable from and secured by a pledge of the gross revenues to be derived from the operation of the System, after providing for the requirements of the KIA Loans and the Line of Credit.

This Bond has been issued in full compliance with the Current Bond Resolution and the Prior RD Bond Resolution; and this Bond, and any bonds ranking on a parity therewith that may be issued and outstanding under the conditions and restrictions of the Current Bond Resolution and the Prior RD Bond Resolution, are and will continue to be payable from revenues which shall be set aside in a fund for that purpose and identified as the "Southern Water and Sewer District Waterworks Sinking Fund of 2002", created in the 2002 Bond Resolution.

This Bond does not constitute an indebtedness of the District within the meaning of any constitutional or statutory provisions or limitations and is payable solely out of the revenues of the System. As provided in the Current Bond Resolution, the District covenants that so long as any of the Prior RD Bonds and/or this Bond, are outstanding, the System will be continuously owned and operated by the District as a revenue producing public undertaking within the meaning of the

aforesaid Act for the security and source of payment of the Prior RD Bonds and of this Bond, and that the District will fix, and if necessary adjust, from time to time, such rates for the services and facilities of the System and will collect and account for the revenues therefrom sufficient to pay promptly the principal of and interest on the Prior RD Bonds, this Bond and all other bonds ranking on a parity therewith as may be outstanding from time to time, to pay the cost of operation and maintenance of the System and to provide for the depreciation thereof.

The District has reserved the right to issue additional bonds ranking on a parity as to security and source of payment with this Bond in order to complete the Project, and to finance future extensions, additions and improvements to the System, provided the necessary requirements of the Current Bond Resolution have been complied with by the District.

This Bond shall be registered as to principal and interest in the name of the owner hereof, after which it shall be transferable only upon presentation to the Secretary of the District as the Bond Registrar, with a written transfer duly acknowledged by the registered owner or its duly authorized attorney, which transfer shall be noted upon this Bond and upon the registration book of the District kept for that purpose.

The District, at its option, shall have the right to prepay, on any interest payment date on and after January 1, 2018, in inverse chronological order of the installments due on this Bond, the entire principal amount of this Bond then remaining unpaid, or such lesser portion thereof, in a multiple of One Hundred Dollars (\$100), as the District may determine, at a price in an amount equivalent to the principal amount to be prepaid plus accrued interest to the date of prepayment, without any prepayment premium. Notice of such prepayment shall be given by registered mail to the registered owner of this Bond or its assignee, at least 30 days prior to the date fixed for prepayment. Notice of such prepayment may be waived with the written consent of the registered owner of this Bond.

So long as the registered owner of this Bond is the United States of America, or any agency thereof, the entire principal amount of this Bond, or installments in multiples of \$100, may be prepaid at any time in inverse chronological order of the installments due.

Upon default in the payment of any principal or interest payment on this Bond, or upon failure by the District to comply with any other provision of this Bond or with any provision of the Current Bond Resolution, the registered owner may, at its option, institute all rights and remedies provided by law or by said Current Bond Resolution.

It is hereby certified, recited and declared that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond, do exist, have happened and have been performed in due time, form and manner as required by law, and that the face amount of this Bond, together with all other obligations of the District, does not exceed any limit prescribed by the Constitution or Statutes of the Commonwealth of Kentucky.

IN WITNESS WHEREOF said Southern Water and Sewer District, by its Board of Commissioners, has caused this Bond to be executed by its Chairperson, its corporate seal to be hereunto affixed, and attested by its Secretary, on the date of this Bond, which is

## SUPPLEMENTAL BOND RESOLUTION

**RESOLUTION OF THE SOUTHERN WATER AND SEWER DISTRICT SUPPLEMENTING A RESOLUTION PREVIOUSLY ADOPTED BY SAID DISTRICT ON NOVEMBER 2, 2009 RELATING TO THE AUTHORIZATION, ISSUANCE AND SALE OF \$530,000 PRINCIPAL AMOUNT OF SOUTHERN WATER AND SEWER DISTRICT WATERWORKS REVENUE BONDS, SERIES 2009; SETTING FORTH ADDITIONAL TERMS, CONDITIONS AND ELECTIONS IN CONNECTION WITH THE ISSUANCE OF SAID BONDS PURSUANT TO THE AMERICAN RECOVERY AND REINVESTMENT ACT OF 2009.**

WHEREAS, the Southern Water and Sewer District (the "District") is in the process of constructing certain extensions, additions and improvements (the "Project") to the waterworks system of the District, said Project being financed, in part, through the issuance of \$530,000 of Southern Water and Sewer District Waterworks Revenue Bonds, Series 2009 (the "2009 Bonds"), authorized pursuant to a Resolution adopted by the Board of Commissioners of the District on November 2, 2009 (the "2009 Bond Resolution"), and

WHEREAS, the 2009 Bonds were sold by competitive sale on November 5, 2009 on a tax-exempt basis to the U.S. Department of Agriculture, acting through Rural Development ("RD"), and

WHEREAS, the American Recovery and Reinvestment Act of 2009 ("ARRA") provides for the issuance of "Build American Bonds - Direct Payment" ("BABs") to finance projects commenced on and after February 17, 2009, provided such BABs meet the requirements of ARRA and are issued on or prior to December 31, 2010, and

WHEREAS, in order to have the 2009 Bonds issued as BABs, it is necessary for the District to irrevocably elect to have the provisions of Section 54AA and subsection 54AA(g) of the Internal Revenue Code of 1986, as amended (the "Code") apply to said 2009 Bonds, and

WHEREAS, as a result of the designation of the 2009 Bonds as BABs, the District will receive payments from the U.S. Treasury Department equal to 35% of the interest payments on the 2009 Bonds, and

WHEREAS, it is necessary for the District to supplement the 2009 Bond Resolution in order to evidence the District's irrevocable election to have the 2009 Bonds issued as BABs and further to provide that the District will comply with the ARRA restrictions regarding BABs.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THE SOUTHERN WATER AND SEWER DISTRICT AS FOLLOWS:

**1. Tax Covenants Relating to 2009 Bonds.** The District hereby makes an irrevocable election to designate the 2009 Bonds as "Build America Bonds" under Section 54AA of the Code

and also irrevocably elects to have the provisions of Section 54AA(g) of the Code apply to the 2009 Bonds so that said 2009 Bonds will be deemed "qualified bonds" and the District will receive a refundable credit under Section 6431 of the Code equal to 35% of the stated interest paid on the 2009 Bonds.

Pursuant to the provisions of ARRA, the District covenants and agrees that:

(i) All of the excess of (a) the available project proceeds (as defined in Section 54A of the Code to mean sale proceeds of the 2009 Bonds less not more than 2% of such proceeds used to pay costs of issuance plus investment proceeds thereon), over (b) any amounts in a reasonably required reserve fund (within the meaning of Section 150(a)(3) of the Code) with respect to such issue, shall be used for capital expenditures;

(ii) It shall comply with the requirements of Section 54AA(g) of the Code to assure eligibility of the District for receipt of the direct pay interest credit;

(iii) The issue price (reoffering price) of the 2009 Bonds of the same maturity does not exceed the par amount by more than .25% multiplied by the number of complete years to the earlier of the maturity date or the first optional redemption date for such 2009 Bonds; and

(iv) It shall not use or permit the use of any of the funds provided by the 2009 Bonds in such a manner as to, or take or omit to take any action which would, impair the status of the 2009 Bonds as "qualified bonds" under Section 54AA of the Code.

**2. 2009 Bonds to be issued as taxable bonds.** The 2009 Bonds shall be issued as taxable bonds and accordingly, the interest on the 2009 Bonds shall be includable in gross income for Federal income tax purposes. The District understands that pursuant to Section 54AA of the Code, the 2009 Bonds must meet all of the provisions of the Code relating to tax-exempt bonds and the District covenants and agrees to abide by all of such provisions.

**3. District agrees to file necessary forms.** The District hereby agrees to file or cause to be filed, in a timely manner, any and all necessary forms required by the Code, including, but not limited to IRS Form 8038-B, Information Return for Build America Bonds and Recovery Zone Economic Development Bonds and IRS Form 8038-CP, Return for Credit Payments for Issuers of Qualified Bonds. The District also agrees to complete and file or cause to be filed, in a timely manner, any and all other form and questionnaires received by the District, including, but not limited to IRS Form 14127, Direct Pay Bonds Compliance Questionnaire.

**Loans, Acquisitions and Guaranties.** (1) Loan, invest in or advance money or assets to any other person, enterprise or entity, (2) purchase, create or acquire any interest in any other enterprise or entity, or (3) incur any obligation as surety or guarantor other than in the ordinary course of business.

**CESSATION OF ADVANCES.** If Lender has made any commitment to make any Loan to Borrower, whether under this Agreement or under any other agreement, Lender shall have no obligation to make Loan Advances or to disburse Loan proceeds if: (A) Borrower or any Guarantor is in default under the terms of this Agreement or any of the Related Documents or any other agreement that Borrower or any Guarantor has with Lender; (B) Borrower or any Guarantor dies, becomes incompetent or becomes insolvent, files a petition in bankruptcy or similar proceedings, or is adjudged a bankrupt; (C) there occurs a material adverse change in Borrower's financial condition, in the financial condition of any Guarantor, or in the value of any Collateral securing any Loan; or (D) any Guarantor seeks, claims or otherwise attempts to limit, modify or revoke such Guarantor's guaranty of the Loan or any other loan with Lender; or (E) Lender in good faith deems itself insecure, even though no Event of Default shall have occurred.

**RIGHT OF SETOFF.** To the extent permitted by applicable law, Lender reserves a right of setoff in all Borrower's accounts with Lender (whether checking, savings, or some other account). This includes all accounts Borrower holds jointly with someone else and all accounts Borrower may open in the future. However, this does not include any IRA or Keogh accounts, or any trust accounts for which setoff would be prohibited by law. **DEFAULT.** Each of the following shall constitute an Event of Default under this Agreement:

**Payment Default.** Borrower fails to make any payment when due under the Loan.

This includes a garnishment of any of Borrower's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Borrower as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Borrower gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

**Events Affecting Guarantor.** Any of the preceding events occurs with respect to any Guarantor of any of the Indebtedness or any Guarantor dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any Guaranty of the Indebtedness.

Borrower additionally waives any and all notices of sale of participation interests, as well as all notices of any repurchase of such participation interests. Borrower also agrees that the purchasers of any such participation interests will be considered as the absolute owners of such interests in the Loan and will have all the rights granted under the participation agreement or agreements governing the sale of such participation interests. Borrower further waives all rights of offset or counterclaim that it may have now or later against Lender or against any purchaser of such a participation interest and unconditionally agrees that either Lender or such purchaser may enforce Borrower's obligation under the Loan irrespective of the failure or insolvency of any holder of any interest in the Loan. Borrower further agrees that the purchaser of any such participation interests may enforce its interests irrespective of any personal claims or defenses that Borrower may have against Lender.

**Governing Law.** This Agreement will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the Commonwealth of Kentucky without regard to its conflicts of law provisions. This Agreement has been accepted by Lender in the Commonwealth of Kentucky.

**Choice of Venue.** If there is a lawsuit, Borrower agrees upon Lender's request to submit to the jurisdiction of the courts of Floyd County, Commonwealth of Kentucky.

**No Waiver by Lender.** Lender shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Agreement shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by Lender, nor any course of dealing between Lender and Borrower, or between Lender and any Grantor, shall constitute a waiver of any of Lender's rights or of any of Borrower's or any Grantor's obligations as to any future transactions. Whenever the consent of Lender is required under this Agreement, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.

**Notices.** Any notice required to be given under this Agreement shall be given in writing, and shall be effective when actually delivered, when actually received by telefacsimile (unless otherwise required by law), when deposited with a nationally recognized overnight courier, or, if mailed, when deposited in the United States mail, as first class, certified or registered mail postage prepaid, directed to the addresses shown near the beginning of this Agreement. Any party may change its address for notices under this Agreement by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address. For notice purposes, Borrower agrees to keep Lender informed at all times of Borrower's current address. Unless otherwise provided or required by law, if there is more than one Borrower, any notice given by Lender to any Borrower is deemed to be notice given to all Borrowers.

**Severability.** If a court of competent jurisdiction finds any provision of this Agreement to be illegal, invalid, or unenforceable as to any circumstance, that finding shall not make the offending provision illegal, invalid, or unenforceable as to any other circumstance. If feasible, the offending provision shall be considered modified so that it becomes legal, valid and enforceable. If the offending provision cannot be so modified, it shall be considered deleted from this Agreement. Unless otherwise required by law, the illegality, invalidity, or unenforceability of any provision of this Agreement shall not affect the legality, validity or enforceability of any other provision of this Agreement.

**Subsidiaries and Affiliates of Borrower.** To the extent the context of any provisions of this Agreement makes it appropriate, including without limitation any representation, warranty or covenant, the word "Borrower" as used in this Agreement shall include all of Borrower's subsidiaries and affiliates. Notwithstanding the foregoing however, under no circumstances shall this Agreement be construed to require Lender to make any Loan or other financial accommodation to any of Borrower's subsidiaries or affiliates.

**Successors and Assigns.** All covenants and agreements by or on behalf of Borrower contained in this Agreement or any Related Documents shall bind Borrower's successors and assigns and shall inure to the benefit of Lender and its successors and assigns. Borrower shall not, however, have the right to assign Borrower's rights under this Agreement or any interest therein, without the prior written consent of Lender.

**Survival of Representations and Warranties.** Borrower understands and agrees that in making the Loan, Lender is relying on all representations, warranties, and covenants made by Borrower in this Agreement or in any certificate or other instrument delivered by Borrower to Lender under this Agreement or the Related Documents. Borrower further agrees that regardless of any investigation made by Lender, all such representations, warranties and covenants will survive the making of the Loan and delivery to Lender of the Related Documents, shall be continuing in nature, and shall remain in full force and effect until such time as Borrower's indebtedness shall be paid in full, or until this Agreement shall be terminated in the manner provided above, whichever is the last to occur.

**Interest Rate and Scheduled Payment Changes.** Interest will begin to accrue on June 11, 2020. The interest rate on this Note will be fixed at 5.000 % per annum.

**Compliance with Law.** Nothing contained herein shall be construed as to require the Borrower to pay interest at a greater rate than the maximum allowed by law. If, however, from any circumstances, Borrower pays interest at a greater rate than the maximum allowed by law, the obligation to be fulfilled will be reduced to an amount computed at the highest rate of interest permissible under applicable law and if, for any reason whatsoever, Lender ever receives interest in an amount which would be deemed unlawful under applicable law, such interest shall be automatically applied to amounts owed, in Lender's sole discretion, or as otherwise allowed by applicable law.

**Accrual Method.** Interest on this Note is calculated on an Actual/360 day basis. This calculation method results in a higher effective interest rate than the numeric interest rate stated in this Note.

**SECURITY TO NOTE.** Security (the "Collateral") for this Note is granted pursuant to the following security document(s):

- Commercial Security Agreement dated June 11, 2020.

**RIGHT OF SET-OFF.** To the extent permitted by law, Borrower agrees that Lender has the right to set-off any amount due and payable under this Note, whether matured or unmatured, against any amount owing by Lender to Borrower including any or all of Borrower's accounts with Lender. This shall include all accounts Borrower holds jointly with someone else and all accounts Borrower may open in the future. Such right of set-off may be exercised by Lender against Borrower or against any assignee for the benefit of creditors, receiver, or execution, judgment or attachment creditor of Borrower, or against anyone else claiming through or against Borrower or such assignee for the benefit of creditors, receiver, or execution, judgment or attachment creditor, notwithstanding the fact that such right of set-off has not been exercised by Lender prior to the making, filing or issuance or service upon Lender of, or of notice of, assignment for the benefit of creditors, appointment or application for the appointment of a receiver, or issuance of execution, subpoena or order or warrant. Lender will not be liable for the dishonor of any check

when the dishonor occurs because Lender set-off a debt against Borrower's account. Borrower agrees to hold Lender harmless from any claim arising as a result of Lender exercising Lender's right to set-off.

**DISHONORED ITEM FEE.** If Borrower makes a payment on the loan with a check or preauthorized charge which is later dishonored, a fee in the amount of \$32.00 will be charged.

**RELATED DOCUMENTS.** The words "Related Documents" mean all promissory notes, security agreements, mortgages, deeds of trust, deeds to secure debt, business loan agreements, construction loan agreements, resolutions, guaranties, environmental agreements, subordination agreements, assignments, and any other documents or agreements executed in connection with the indebtedness evidenced hereby this Note whether now or hereafter existing, including any modifications, extensions, substitutions or renewals of any of the foregoing. The Related Documents are hereby made a part of this Note by reference thereto, with the same force and effect as if fully set forth herein.

**DEFAULT.** Upon the occurrence of any one of the following events (each, an "Event of Default" or "default" or "event of default"), Lender's obligations, if any, to make any advances will, at Lender's option, immediately terminate and Lender, at its option, may declare all indebtedness of Borrower to Lender under this Note immediately due and payable without further notice of any kind notwithstanding anything to the contrary in this Note or any other agreement: (a) Borrower's failure to make any payment on time or in the amount due; (b) any default by Borrower under the terms of this Note or any other Related Documents; (c) any default by Borrower under the terms of any other agreement between Lender and Borrower; (d) the death, dissolution, or termination of existence of Borrower or any guarantor; (e) Borrower is not paying Borrower's debts as such debts become due; (f) the commencement of any proceeding under bankruptcy or insolvency laws by or against Borrower or any guarantor or the appointment of a receiver; (g) any default under the terms of any other indebtedness of Borrower to any other creditor; (h) any writ of attachment, garnishment, execution, tax lien or similar instrument is issued against any collateral securing the loan, if any, or any of Borrower's property or any judgment is entered against Borrower or any guarantor; (i) any part of Borrower's business is sold to or merged with any other business, individual, or entity; (j) any representation or warranty made by Borrower to Lender in any of the Related Documents or any financial statement delivered to Lender proves to have been false in any material respect as of the time when made or given; (k) if any guarantor, or any other party to any Related Documents terminates, attempts to terminate or defaults under any such Related Documents; (l) Lender has deemed itself insecure or there has been a material adverse change of condition of the financial prospects of Borrower or any collateral securing the obligations owing to Lender by Borrower. Upon the occurrence of an event of default, Lender may pursue any remedy available under any Related Document, at law or in equity.

**GENERAL WAIVERS.** To the extent permitted by law, the Borrower severally waives any required notice of presentment, demand, acceleration, intent to accelerate, protest, and any other notice and defense due to extensions of time or other indulgence by Lender or to any substitution or release of collateral. No failure or delay on the part of Lender, and no course of dealing between Borrower and Lender, shall operate as a waiver of such power or right, nor shall any single or partial exercise of any power or right preclude other or further exercise thereof or the exercise of any other power or right.

**JOINT AND SEVERAL LIABILITY.** If permitted by law, each Borrower executing this Note is jointly and severally bound.

**SEVERABILITY.** If a court of competent jurisdiction determines any term or provision of this Note is invalid or prohibited by applicable law, that term or provision will be ineffective to the extent required. Any term or provision that has been determined to be invalid or prohibited will be severed from the rest of this Note without invalidating the remainder of either the affected provision or this Note.

**SURVIVAL.** The rights and privileges of the Lender hereunder shall inure to the benefits of its successors and assigns, and this Note shall be binding on all heirs, executors, administrators, assigns, and successors of Borrower.

Additionally, Borrower agrees to provide Lender with updated beneficial ownership information in the event there is any change in the beneficial ownership information provided to Lender.

**SINGLE ADVANCE TERM PROMISSORY NOTE**

**THIS SINGLE ADVANCE TERM PROMISSORY NOTE** (this “**Promissory Note**”) to the Credit Agreement dated May 22, 2020 (such agreement, as may be amended, hereinafter referred to as the “**Credit Agreement**”), is entered into as of May 27, 2021 between **COBANK, ACB**, a federally-chartered instrumentality of the United States (“**Lender**”) and **SOUTHERN WATER AND SEWER DISTRICT, McDowell, Kentucky** (together with its permitted successors and assigns, the “**Borrower**”), a water district organized and existing under the laws of the Commonwealth of Kentucky. Capitalized terms not otherwise defined in this Promissory Note will have the meanings set forth in the Credit Agreement.

**SECTION 1. SINGLE ADVANCE TERM COMMITMENT.** On the terms and conditions set forth in the Credit Agreement and this Promissory Note, Lender agrees to make a single advance loan to the Borrower in an amount not to exceed \$2,200,000.00 (the “**Commitment**”).

**SECTION 2. PURPOSE.** The purpose of the Commitment is to refinance the Borrower’s indebtedness to the United States Department of Agriculture acting through Rural Development or the Rural Utilities Service (“**RD/RUS**”) as identified on Exhibit A attached hereto (the “**Existing Loan**”) and for associated closing costs.

**SECTION 3. TERM.** The Commitment will expire at 12:00 p.m. Denver, Colorado time on May 27, 2021, or on such later date as Lender may, in its sole discretion, authorize in writing (the “**Term Expiration Date**”).

**SECTION 4. LIMITS ON ADVANCES, AVAILABILITY, ETC.** Notwithstanding Article 2 of the Credit Agreement and provided that each of the conditions precedent set forth in the Credit Agreement and any related Instruction Letter have been satisfied, the loan will be made available to the Borrower on a date to be agreed upon by the parties (the “**Closing Date**”). The loan will be made available in a single advance by Lender wire transferring the proceeds of the loan to RD/RUS to the extent required to repay the Existing Loan and the remainder, if any, to or at the direction of the Borrower for associated closing costs.

**SECTION 5. INTEREST.** The Borrower agrees to pay interest on the unpaid balance of the loan at a fixed rate per annum to be quoted by Lender in its sole discretion in each instance. Rates may be fixed on such balances and for such periods, as may be agreeable to Lender in its sole discretion in each instance, provided that: (1) the minimum fixed period will be 365 days; (2) amounts may be fixed in an amount not less than \$100,000.00; and (3) the maximum number of fixes in place at any one time will be five.

Interest will be calculated on the actual number of days each advance is outstanding on the basis of a year consisting of 360 days and will be payable monthly in arrears by the 20th day of each month, commencing June 20, 2021, or on such other day as Lender will require in a written notice to the Borrower (“**Interest Payment Date**”).

On the Closing Date the Borrower will work with Lender to fix the interest rate applicable hereunder from the Closing Date through maturity.

**SECTION 6. PROMISSORY NOTE.** The Borrower promises to repay the unpaid principal balance of the loan in two hundred and forty (240) consecutive, monthly installments, payable on the 20th day of each month, with the first installment due on June 20, 2021, and the last installment due on May 20, 2041. The amount of each installment will be the same principal amount that would be required to be repaid if

the loan(s) were scheduled to be repaid in level payments of principal and interest and such schedule was calculated utilizing the rate of interest in effect on the date funds are advanced under this Promissory Note. Principal due on the first payment date will constitute a month's amortization, regardless of any partial month's interest due in accordance with the provisions set forth herein. In addition to the above, the Borrower promises to pay interest on the unpaid principal balance of the loan at the times and in accordance with the provisions set forth herein.

**SECTION 7. PREPAYMENT.** Subject to the broken funding surcharge provision of the Credit Agreement, the Borrower may, on one Business Day's prior written notice, prepay all or any portion of the loan(s). Unless otherwise agreed by Lender, all prepayments will be applied to principal installments in the inverse order of their maturity and to such balances, fixed or variable, as Lender will specify.

**SECTION 8. SECURITY.** Borrower's obligations hereunder and, to the extent related hereto, under the Credit Agreement, will be secured by a junior lien pledge on the Borrower's personal property and revenues (subject and subordinate to prior liens on such property and revenues permitted under the Credit Agreement and existing on the date of this Promissory Note). Without limitation of the generality of the foregoing, the Borrower acknowledges and agrees, without limitation, that this Promissory Note is one of the "Obligations" described in and secured by the Pledge and Security Agreement dated as of May 22, 2020, as the same may be amended from time to time (the "Security Agreement") and is secured by the Collateral described therein.

**SECTION 9. FEES. INTENTIONALLY OMITTED.**

**SECTION 10. FINANCIAL COVENANTS.**

(a) **Debt Service Reserve.** While this Promissory Note is in effect and unless Lender otherwise consents in writing, the Borrower will establish on the date of this Promissory Note and thereafter shall maintain a debt service reserve account (the "**Reserve**") in the amount of \$70,000.00. The funds in the Reserve will be held in a financial institution acceptable to Lender, or in a cash investment services account at Lender and invested in obligations of Lender. The Borrower hereby pledges and grants to Lender a security interest in the Reserve (including all interest earned thereon) as security for the Borrower's obligations to Lender under the Loan Documents. If requested by Lender, the Borrower will cooperate with Lender in obtaining control with respect to the Reserve if it is maintained with a financial institution other than Lender (the "**Bank**") including entering into a written agreement among the Bank, the Borrower and Lender that the Bank will comply with instructions originated by Lender directing disposition of funds in the Reserve without further consent by the Borrower. However, as long as no Event of Default or Potential Default will have occurred and be continuing, interest on the Borrower's investments in the Reserve may be paid to the Borrower in the ordinary course. Investments in Lender are uninsured and unsecured general obligations of Lender.

(b) **Other Financial Covenants.** The Borrower shall comply with all covenants in the Credit Agreement, including, without limitation, financial covenants set out in Article VII thereof.
