RE: Case No. 2024-00251  
Southern Water & Sewer District  
Alternative Rate Filing Adjustment – Remediation of Deficiencies in Application

Dear Ms. Bridwell:

Enclosed for filing in the referenced case is Southern Water & Sewer District's remediated application for an adjustment to its water rates. The original ARF Application was filed on September 25, 2024 but was rejected due to deficiencies identified in your letter dated September 27, 2024.

Since that time, Ariel Baker, the original consultant working on behalf of the District, was no able to continue this work and I became responsible for resolving those deficiencies and submitting this remediated application.

This application is being filed pursuant to 807 KAR 5:076 and uses calendar year 2023 as the test year with appropriate adjustments to normalize revenues and expenses. The Attorney General's Office of Rate Intervention has also been provided a copy of this application by electronic mail.

My electronic mail address is bob.miller@straightlineky.com.

Sincerely,

A handwritten signature in blue ink that reads "Robert K. Miller".
