Re: In the matter of the Electronic Application of STMO BN, LLC (Starfire) for a Certificate of Construction for an Approximately 210 Megawatt Merchant Electric Solar Generating Facility in Knott, Breathitt, and Perry Counties, Kentucky Pursuant to KRS 278.700 and 807 KAR 5:110, Case No. 2024-00255.

Dear Ms. Bridwell,

STMO BN, LLC ("Starfire"), through counsel, submits this cover letter for its electronic filing in this case, serving as the Read1st introductory file. The filing made is Starfire's Response to Staff's First Request for Information filed previously on March 31, 2025, with corrected redactions to the personal information filed within the Response No. 53 attachment and errata filing to remove the incorrectly attached map to Response No. 39.

This cover letter serves to certify that the foregoing electronic filing is a true and accurate copy of the document being filed in paper medium; that the electronic filing was transmitted to the Commission on April 14, 2025; that there are currently no parties that have been excused from participation by electronic means in this proceeding; and in accordance with the Kentucky Public Service Commission's Order dated July 22, 2021, that a copy of the filing in paper medium will not be filed with the Siting Board.

Please don't hesitate to contact me if you have any questions.

Sincerely,
