Re: *Electronic Application of East Kentucky Power Cooperative, Inc. for an Amendment to its Certificate of Public Convenience and Necessity for the Construction of Transmission Facilities in Madison County, Kentucky that was granted in Case No.2022-00314 – Case No. 2024-00263*

Dear Ms. Bridwell:

Enclosed, please find for filing, East Kentucky Power Cooperative, Inc.'s Response to the Commission's September 27, 2024 Order regarding deficiencies in the Application in the above-styled case.

EKPC is including an Excel spreadsheet that contains the names and addresses of the property owners to whom notice was sent for this Application. This list includes all of the property owners that were mailed notice pursuant to the original application for Case No. 2022-00314, along with the information for the new landowner that will be affected by the proposed amendment. These new landowners (the Clarks) were identified and notified in a separate letter, which was included in the Application at Exhibit 5. The map that was included in Exhibit 5 that had the notation "Landowner Not Notified" was for internal purposes only, and should not have been included in the application. The sample landowner notices, and the two maps that were provided with all of the landowner notices are being included with this filing.

This is to certify that the electronic filing has been transmitted to the Commission on September 27, 2024 and that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means. Pursuant to the Commission's July 22, 2021 Order in Case No. 2020-00085 no paper copies of this filing will be made.

Please do not hesitate to contact me with any questions or concerns.

Sincerely,

A handwritten signature in black ink, appearing to read "L. Allyson Honaker". The signature is written in a cursive style with a large initial "L" and a prominent "H".
