Re: *Electronic Application of East Kentucky Power Cooperative, Inc. for an Amendment to its Certificate of Public Convenience and Necessity for the Construction of Transmission Facilities in Madison County, Kentucky that was granted in Case No.2022-00314 – Case No. 2024-00263*

Dear Ms. Bridwell:

Enclosed, please find for filing, East Kentucky Power Cooperative, Inc.'s additional information in response to the Commission's September 27, 2024 Order regarding deficiencies in the Application in the above-styled case.

After the filing EKPC made on Friday, September 26, 2024, EKPC reviewed the parcels to update the mailing list to include parcel numbers. In doing so, it was discovered that two additional landowners had not received notice of the application filing. A copy of both letters and the two maps that were sent overnight today to each landowner are attached to this filing. The Richmond Industrial Development Corp. and Kentucky Utilities were the landowners that were not notified by letter prior to today. However, EKPC has had conversations with the Richmond Industrial Development Corp., regarding the project amendment. Kentucky Utilities was notified originally with Case No. 2022-00314 and is not impacted by the proposed changes in this amendment request.

EKPC is also filing an updated mailing list, which includes the Richmond Industrial Development Corp. and Kentucky Utilities as well as parcel ID numbers for the property. EKPC has included the original parcel numbers that were included in the original application, as well as the new parcel numbers for the property included in the parcel maps with this amended application. The notices were mailed to the mailing addresses on file with the local PVA office for each of the landowners, which may be different than the physical addresses of the parcels.

This is to certify that the electronic filing has been transmitted to the Commission on September 30, 2024 and that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means. Pursuant to the Commission's July 22, 2021 Order in Case No. 2020-00085 no paper copies of this filing will be made.

Please do not hesitate to contact me with any questions or concerns.
