Re: Electronic Application of East Kentucky Power Cooperative, Inc. for an Amendment to its Certificate of Public Convenience and Necessity for the Construction of Transmission Facilities in Madison County, Kentucky that was granted in Case No. 2022-00314- *Case No. 2024-00263.*

Dear Ms. Bridwell:

Please let this letter serve as notice, pursuant to KRS 278.020, 807 KAR 5:001 and 807 KAR 5:120 that East Kentucky Power Cooperative, Inc. ("EKPC") plans to file on or after September 13, 2024 an Application for an amendment to the Certificate of Public Convenience and Necessity ("CPCN") that was granted in Case No. 2022-00314 for transmission facilities in Madison County, Kentucky. During the construction of the project, it has become necessary to locate the Madison County Switching Station on a different parcel of land than originally anticipated. This amendment will allow EKPC to continue to provide safe and reliable service to its Owner-Members and their end-use members as well as to add additional transmission capacity for future load growth in the area.

Pursuant to 807 KAR 5:120 Section 1(2)(a), EKPC's contact information is:

East Kentucky Power Cooperative, Inc.  
4775 Lexington Road  
Winchester, KY 40391  
(859) 744-4812

EKPC has filed a Notice to Use Electronic Filing Procedures in this case.

Please do not hesitate to contact me with any questions or concerns.

Sincerely,

A handwritten signature in black ink, appearing to read "L. Allyson Honaker". The signature is fluid and cursive, with a large initial "L" and a long, sweeping underline.
