RE: Case No. 2024-00278  
Crittenden-Livingston County Water District  
Request for Short Extension in Submitting Response to Staff Report

Dear Ms. Bridwell:

Crittenden-Livingston County Water District acknowledges that their response to Kentucky Public Service Commission staff's report is due July 28, 2025. That date coincides with the date of the next regularly scheduled meeting of the District's board of commissioners. The District's chairman has asked if they could be allowed a short extension on their response in order to bring it before the full board for their review. I anticipate that their response will be submitted not later than July 30, 2025.

Sincerely,

Robert K. Miller
