In the Matter of:

MOTION TO PROCEED WITHOUT A HEARING

Comes now Warren County Water District (“Warren District”), by and through the undersigned counsel, pursuant to the Commission’s November 1, 2024 Order in the above-referenced proceeding, and for its Motion to Proceed Without a Hearing respectfully states as follows:

Warren District filed its Application for a Certificate of Public Convenience and Necessity to construct new customer service and maintenance facilities on October 18, 2024. There are no intervenors in this proceeding. Commission Staff has issued, and Warren District has responded to, two (2) Requests for Information in this proceeding.

In its November 1, 2024 Order in this matter, the Commission established December 20, 2024, as the last day for Parties to request a public hearing or submit

a request that the matter be decided upon the written record. Warren District waives its right to a formal hearing in this matter and requests that the Commission proceed without a hearing and decide this case based upon the written record. Should Commission Staff need additional information, Warren District will promptly respond to any additional Requests for Information and will gladly participate in an informal conference with Staff, should Staff find that an informal conference would be beneficial. Warren District can appear at such a conference in-person, or participate remotely, whichever is more convenient for Staff.

WHEREFORE, on the basis of the foregoing, Warren District respectfully moves to proceed without a hearing in the aforementioned case.
