**MOTION**

---

The Kentucky Municipal Energy Agency (“KYMEA”), by counsel, moves the Kentucky Siting Board on Electric Generation and Transmission Siting (the “Siting Board”) for a *nunc pro tunc* order clarifying the route of the natural gas pipeline, as anticipated at the time the Siting Board’s April 2, 2025, Order was issued. In support of its motion, KYMEA states as follows:

KYMEA requests the Siting Board correct one page of Appendix B that depicts the preliminary route of the natural gas pipeline. The Siting Board attached a page from the application that was filed on October 4, 2025. KYMEA submitted an updated proposed pipeline route on December 5, 2024.<sup>1</sup> The Siting Board consultant’s report submitted by Harvey Economics also used the updated pipeline route as Exhibit 3-2. Accordingly, KYMEA respectfully requests the Siting Board issue a *nunc pro tunc* order clarifying the updated route of the natural gas pipeline.
