RESPONSE TO NOTICE OF FILING DEFICIENCY

Applicants, by counsel and in response to the Kentucky Public Service Commission's ("PSC") letter dated October 29, 2024 requesting additional information to cure a deficiency in the within matter, state as follows:

- 1. In Response to the PSC's finding of a deficiency with respect to 807 KAR 5:063 Section 1(1)(I), Applicants hereby submit **Exhibit A**, which includes enhanced images of the previously filed United States Postal Service Form 3811 "green card." **Exhibit A** includes a scan of the green card with a red circle added by Applicants' counsel to highlight the signature, which appears to have been made by a stamp. **Exhibit A** also includes a zoomed scan of the green card depicting the same signature stamp.
- 2. As further confirmation, the United States Postal Service (USPS) tracking data for the letter sent to the Kentucky Transportation Cabinet is attached as **Exhibit B**. The USPS tracking data confirms that the letter's status as "delivered, individual picked up at Postal Facility" as of October 17, 2024.

3. In compliance with 807 KAR 5:063 Section 1(1)(I), the letter was mailed to the landowner according to the record of the County's Property Valuation Administrator ("PVA"), which was attached to the filed application as part of Exhibit J (page 217) and is included as **Exhibit C**. The County's PVA records for the owner's address do not include a zip code. Despite the zip code not being included in the mailing, the notice letter is documented as received by the landowner no later than October 17, 2024 (see filed application and as supplemented by **Exhibits A and B** of this filing).

WHEREFORE, Applicants respectfully request that the PSC accept the foregoing information for filing, and having met the requirements of KRS §§ 278.020(1), 278.650, and 278.665 and all applicable rules and regulations of the PSC, find the application non-deficient, and proceed to grant a Certificate of Public Convenience and Necessity to construct and operate the WCF at the location set forth in the subject application.

Respectfully submitted,

David A. Pike

And

F. Keith Brown
