1. On September 20, 2024, EKPC filed an application for a Certificate of Public Convenience and Necessity (“CPCN”) to construct a new generation resource and for a Site Compatibility Certificate for the project. The Commission established a procedural schedule for the processing of this matter and Joint Intervenors’ Third Request was issued on February 6, 2025.

2. On March 10, 2025 EKPC filed an updated response to Joint Intervenors’ Third Request, Item 9. EKPC filed its revised National Environmental Policy Act (“NEPA”)

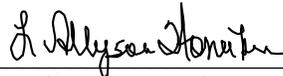

Environmental Assessment that was submitted to United States Department of Agriculture (“USDA”) Rural Utility Service (“RUS”) on March 7, 2025.
