In reference to Case NO. 2024-00314

The withdrawals on the August 25, 2026 bank statement are fraud. The bank didn't catch them until we met with them on August 21, 2026. We got that money back into the account which is the \$21,000.00 plus the \$1.00 that was taken out in cents. We had to close out the account ending in 8536 and open a new one so myself and Superintendent Randy Ledford had to open all new accounts for the district at Whitaker Bank. The new bank statement will be uploaded to the account with our monthly reports.

Thank You,
