Dear Ms. Bridwell:

Enclosed, please find for filing, The Garrard County Water Association, Inc.'s ("Garrard County") Response to Deficiency in the above-referenced matter. The Response includes amended exhibits B and C, and a statement that Garrard County is not requesting an increase to its Bulk Sales Rate and therefore, it did not include it in the proposed rates or notice.

This is to certify that this has been transmitted to the Commission on October 10, 2024 and that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means. Pursuant to the Commission's July 22, 2021 Order in Case No. 2020-00085 no paper copies of this filing will be made.

Please do not hesitate to contact me with any questions or concerns.

Sincerely,

Brittany Hayes Koenig
