BEFORE THE PUBLIC SERVICE COMMISSION**

In The Matter Of:

INVESTIGATION INTO THE FINANCIAL AND	)	
OPERATIONAL CAPACITY OF MORGAN COUNTY	)	CASE NO.
WATER DISTRICT	)	2024-00325

**NOTICE OF COMPLIANCE
WITH AUGUST 28, 2025 ORDER**

Comes now Morgan County Water District (“Morgan County”), by and through the undersigned counsel, pursuant to the Kentucky Public Service Commission’s (“Commission”) August 28, 2028 Order and other applicable law, and provides updated information as required by the Commission and requests additional time to provide all necessary information. As grounds for this Motion, Morgan County respectfully states as follows:

1. On December 20, 2024, the Commission opened this proceeding to investigate the financial and operating capacity of Morgan County. Morgan County provided responses to three requests for information.¹ The Commission issued an order on August, 28, 2025 that required Morgan County to provide updated information and take certain steps to place Morgan County in a better financial and managerial position.
2. The Commission’s August 28, 2026 Order required Morgan County to provide all required documentation in Case No. 2022-00245 or file a motion related to the failure to locate the required documentation.

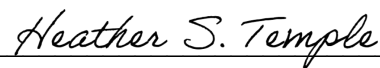

¹ Updated and Redacted Responses to Staff’s DR1 (filed March 10, 2025); Responses to Staff’s Second DR (filed April 4, 2025); and, Responses to Staff’s Third DR (filed April 23, 2025).

3. As the Commission is aware, Morgan County's previous manager left the water district in disarray. This includes destroying a majority of the district's documents and records. Since that occurred, Morgan County has been working diligently to locate records. Morgan County has been in contact with the engineer for the project in Case No. 2022-00245. At this time, Morgan County has recovered all of the available documents and those are being filed contemporaneously with this motion. Morgan County is also filing this Motion and the documents in the docket for Case No. 2022-00245.

WHEREFORE, on the basis of the foregoing, Morgan County is providing information related to the Commission's August 28, 2025 Order. Morgan County believes this now completes all of the requirements from the August 28, 2025 Order.

This the 19th day of December 2025.

Respectfully submitted,
