RE: Case No. 2024-00331  
Elkhorn Water District  
Proof of Publication of Additional Customer Notice

Dear Ms. Bridwell:

Enclosed for filing in the referenced case is Elkhorn Water District's Proof of Publication as required by the Commission's Order dated May 13, 2025.

Elkhorn District would like to explain that it submitted to the Frankfort State Journal (State Journal) the correct customer notice as contained in the April 10, 2025 Order. The notice actually printed by the State Journal excluded the rates for the 5/8-Inch Meter and the first two rate steps for the 1-Inch Meter. In a rush to submit the proof of publication Elkhorn District failed to thoroughly review the proof of publication to discover the error. Therefore, Elkhorn District contends that its failure to comply with the Commission's Order was not intentional.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark Frost", written in a cursive style.
