

plant additions and subsequently adjusted to true up the actual costs with the projected costs. A filing to update the projected costs for the upcoming calendar year will be submitted annually by October 15 to become effective with meter readings on and after the first billing cycle of January.”

5. In this proceeding, Delta submits its projected PRP costs for the calendar year 2025, with the proposed rates becoming effective on January 1, 2025.

6. In support of its Application, Delta submits testimony from Jonathan Morpew, Delta’s Director of Gas Operations. Mr. Morpew’s testimony describes Delta’s PRP, the projects that Delta plans to complete during 2025, and the remaining work to complete the program.

7. Delta has also submitted schedules in Excel format demonstrating how the PRP rates were calculated and tariff sheets containing the revised PRP rates.

WHEREFORE, Delta Natural Gas Company, Inc. respectfully requests the Commission approve Delta’s PRP rates beginning with the first billing cycle in January 2025.
