Kentucky Power Company’s Request To Submit Matter For Decision On The Record

In accordance with the Public Service Commission of Kentucky’s (“Commission”) November 27, 2024 Order, Kentucky Power Company (“Kentucky Power” or “Company”) respectfully requests that this matter be submitted for decision on the record and without a hearing. In support of its request, Kentucky Power states as follows:

The Commission opened this case and issued its procedural schedule by order dated November 27, 2024 (“Procedural Schedule”). The Procedural Schedule set the last day to intervene in this case as December 10, 2024. As of the date of this filing, no parties have requested nor been granted leave to intervene. Kentucky Power submitted its responses to Commission Staff’s supplemental data requests on January 10, 2025, in conformity with the Procedural Schedule. The only milestones remaining on the Procedural Schedule are related to intervenor testimony and rebuttal testimony from Kentucky Power. The Procedural Schedule provides that Kentucky Power may request a hearing or to submit this matter for a decision on the record by February 14, 2025.

Given that there are no intervenors in this case, and there is no intervenor testimony for Kentucky Power to rebut, the remaining deadlines in the Procedural Schedule are redundant.

Kentucky Power therefore respectfully requests that this matter be submitted for decision on the record as of the date of this filing.

However, the Company will defer to the Commission if the Commission or Commission Staff determine that a hearing is needed or would be beneficial to supplement the record of this matter with additional evidence so that the Company's application may be granted. In that event, the Company would be amenable to making its witnesses available for any such hearing at the convenience of the Commission. The Company also is willing to attend an informal conference with Commission Staff and the parties to discuss any outstanding issues, any evidence submitted, or to discuss any other matters that would aid in the handling and disposition of the case.

Respectfully submitted,
