

**AFFIDAVIT**

I, Paul Reynolds, as a representative of Bluegrass Engineering, Inc., hereby state for an affidavit as follows:

1. That BCWD has requested that Bluegrass Engineering, Inc. review the grant application for Water Treatment Plant upgrades, KIA portal, project profile # WX21023047, and as follows:

That after review of previous reports prepared by or for The City of Augusta and BCWD related to upgrades of the Water Treatment Plant and due to the age of these reports and related project profiles the projected costs for these improvements are below current projected costs. Additionally, when considering the time parameters that may be present to secure funding for these improvements the projected construction costs for the improvements could realize significant increases due to fluctuations in costs of goods and services.

FURTHER, AFFIANT SAYETH NAUGHT,

**CERTIFICATION**

I, , hereby certify that I Paul Reynolds, as a representative of Bluegrass Engineering, Inc, have read over the foregoing affidavit to be submitted to the Kentucky Public Service Commission, and that all averments and statements herein are true and accurate to the best of our knowledge and belief.
