Re: Fountain Run Water District No. 1
Purchase Water Adjustment
Case No. 2024-00376

Dear Ms. Bridwell:

The Fountain Run Water District No.1 requests that the Commission allow for an adjustment to our rates in accordance with 807 KAR 5:068 Purchased Water Adjustment.

The District was notified by its supplier, Glasgow Water Company, that their wholesale rates will increase effective November 30, 2024. The result of the increase in purchased water expense is \$3,125.64 in supply cost to the District. This translates into \$0.08 per 1,000 gallons of water sold to our customers.

The following supporting documents are enclosed for your review:
