**Re: Case No: 2024-00395**  
**Cannonsburg Water District**

Dear Ms. Bridwell:

Enclosed for filing in the above-referenced matter is Cannonsburg Water District's ("Cannonsburg District") application for a Purchased Water Adjustment ("PWA"). Currently Cannonsburg District also has an **Alternative Rate Filing, Case No. 2024-00155**, pending with the Commission. The current and proposed rates in Exhibit 3 to the PWA application utilize the "per gallon" expression of rates in conformity with current Commission preference, the Staff Report, and recent Commission orders in Case No. 2024-00155. The current and proposed rates shown in the final pages of Exhibit 4 (Appendix A to Cannonsburg District's Resolution), utilize the "per 1,000 gallons" expression of rates found in Cannonsburg District's current tariff on file with the Commission.

Respectfully,

  
Damon R. Talley
