

WORK CONDITIONS

SAFETY

You are expected to exercise caution in all work activities. You must immediately report any unsafe condition to management of Muhlenberg County Water District. If you cause hazardous or dangerous situations, or fail to report, or where appropriate, remedy such situations, you may be subject to disciplinary action, up to and including termination of employment.

SAFETY BONUS

At the end of each quarter if there have been no accidents each employee will be paid a Safety Bonus of \$150.
