- A. In review it was discovered that there was an error in the written application noting the height of the tower at 260 feet with a 5-foot lightning arrestor for a total height of 265 feet instead of 270 feet with a 10-foot arrestor for a total height of 280 feet.

- b. All other documentation including the Site Development Plans, FAA Application and Determination of No Hazard, Tower and Foundation Design, Geotechnical Report and KAZC application indicated the correct height.

- B. Co-Applicants request a **Motion to Rehear** the Application to include the corrected height.
- C. In support of this request, Co-Applicants have sent certified **Corrected** notices to every person who, according to the records of the County Property Valuation Administrator, owns property which is within 500 feet of the proposed tower or contiguous to the site property, by certified mail, return receipt requested, of the proposed construction. Each notified property owner has been provided with a map of the location of the proposed construction, the PSC docket number for this application, the address of the PSC, and informed of his or her right to request intervention. A list of the notified property owners, verified on July 10, 2025, using the Marshall County Kentucky Property Valuation Administration records and a copy of the form of the **Corrected** notice sent by certified mail to each landowner on July 10, 2025, including copies of the envelopes are attached as **Exhibit 1** and **Exhibit 2**, respectively.
- D. In support of this request, Co-Applicants have notified the applicable County Judge/Executive with **Corrected** certified mail, return receipt requested, of the proposed construction. This notice included the PSC docket number under which the application will be processed and informed the County Judge/Executive of his/her right to request intervention. A copy of this notice along with a copy of the mailed envelope is attached as **Exhibit 3**.
- E. In support of this request, a **Corrected** legal notice advertisement regarding the location of the proposed facility has been published in a newspaper of general circulation in the county in which the WCF is proposed to be located. A copy of the newspaper legal notice advertisement is attached as **Exhibit 4**.

- F. In support of Condition 3 in the Order issued July 9, 2025, Co-Applicants hereby submit the Approval from the Kentucky Airport Zoning Commission (KACZ), attached as **Exhibit 5**.
- G. Attached hereto as **Exhibit 6** please find an Affidavit of Certification for all information contained in this application.
- H. All Exhibits to this Application are hereby incorporated by reference as if fully set out as part of the Application.
