RE: Electronic Joint Application of Kentucky Utilities Company and Louisville Gas and Electric Company for Certificates of Public Convenience and Necessity and Site Compatibility Certificates
Case No. 2025-00045

Dear Ms. Bridwell:

Kentucky Utilities Company and Louisville Gas and Electric Company (the “Companies”) filed their Application today in the above-referenced matter. As described in their Joint Motion to Deviate, the Companies are providing Exhibit SAW-2 and Exhibit TAJ-2 via a thumb drive that will be delivered to the Commission because the files exceed the size limit of the Commission’s e-filing system.

In accordance with the Commission’s Order of July 22, 2021 in Case No. 2020-00085 (Electronic Emergency Docket Related to the Novel Coronavirus COVID-19), this is to certify that the electronic filing has been transmitted to the Commission on February 28, 2025; and that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means.

Yours very truly,

W. Duncan Crosby III
