Dear Ms. Bridwell:

Please find attached a motion to amend the procedural schedule to permit the intervenors to provide supplemental testimony as it pertains to analysis and study regarding Mill Creek 2 on behalf of the Kentucky Coal Association, Inc. (KCA) in the above-mentioned matter. Please place the document of file.

Counsel certifies that this electronically filed document is a true representation of the original paper document that normally would be mailed to the Commission but for the COVID-19 exclusion, that all materials in the paper documents are included in the electronic filing, and that no party has been excused from participation by electronic service. Please feel free to contact me if you have any questions about anything contained herein.

Regards,
