**April 28, 2025 Supplemental Response to Commission Staff's First Request for
Information**

Dated March 27, 2025

Case No. 2025-00045

Question No. 45

Responding Witness: Philip A. Imber

Q-45. Refer to the Joint Application, Exhibit 7, Appendix B. Provide any wetland delineation reports completed for the proposed Mill Creek and Brown NGCC facilities.

A-45. **Original Response:**

The Companies have performed various wetland delineations of the Mill Creek and Brown generating sites with multiple contractors for multiple projects on site. The Companies have hired a consultant to consolidate the wetland delineation information from each site for a holistic site specific reports related to the NGCC projects. The Companies anticipate receiving the reports by April 28 and will supplement this response as soon as reasonably possible thereafter.

April 28, 2025 Supplemental Response:

The Companies have received the consolidated wetland delineation reports related to the NGCC projects. See attachments being provided in separate files.
