Re: In The Matter Of: An Electronic Examination by The Public Service Commission of The Environmental Surcharge Mechanism of Big Rivers Electric Corporation for The Six-Month Billing Periods Ending January 31, 2024, July 31, 2024, and January 31, 2025 - Case No. 2025-00052

Dear Ms. Bridwell:

On April 28, 2025, Big Rivers Electric Corporation (“Big Rivers”) filed Direct Testimony and Responses to the Public Service Commission (the “Commission”) Staff’s First Request for Information on behalf of itself and its three Members.

The deadline to file requests for intervention in the above-referenced matter expired on April 28, 2025, and no parties have sought intervention. The only milestones remaining on the procedural schedule, Appendix A to the Commission’s April 3, 2025 Order, are related to intervenor testimony and discovery to intervenors. (“Procedural Schedule”). Given that there are no intervenors in this case, the remaining deadlines in the Procedural Schedule are redundant.

The Procedural Schedule provides that any request for a hearing, or a request for the case to be decided upon the record, be filed no later than July 24, 2025. Big Rivers and its Members hereby respectfully request that this case be submitted for a decision on the existing record.

Ms. Linda Bridwell
