Valued FloSource Customer,

This letter is to inform you of an impending remittance change. Beginning immediately, we are going to change our remittance address in order to streamline FloSource accounting operations. Those customers already using the FloSource ACH system will continue utilizing the same process with no changes.

Those customers not utilizing our current ACH process will need to revise the FloSource remittance address, listed below, on their purchase orders and checks moving forward. FloSource will allow a two-month window to implement this address remittance change. However, beginning January 1, 2023, any purchase order received not referencing the new remittance address will be returned for correction prior to processing.

FloSource, Inc.  
PO BOX 88808  
Milwaukee, WI 53288-8808

Please note that this change in our remittance address will not affect current credit terms. All terms and conditions regarding remittance will remain the same except the address listed above. We value your business and look forward to a smooth transition.
